

Sandstorm Gold Announces US\$10 Million Contribution to Luna Gold's Aurizona Expansion

Vancouver, British Columbia | September 10, 2012

Sandstorm Gold Ltd. ("Sandstorm" or the "Company") (NYSE MKT: SAND, TSX-V: SSL) is pleased to announce that it has agreed to contribute up to US\$10 million in capital towards the phase 1 production expansion project ("Phase 1 Expansion") at Luna Gold Corp.'s ("Luna") Aurizona Mine ("Aurizona"). Sandstorm's contribution towards the Phase 1 Expansion will be equal to 17% of the capital costs incurred by Luna towards the Phase 1 Expansion to a maximum contribution of US\$10 million. In addition, Sandstorm has committed to issue, if requested by Luna, a US\$20 million non-revolving loan facility with a three year term, which may only be used to fund the Phase 1 Expansion and associated exploration costs. In conjunction with Sandstorm's capital contribution, Luna has provided the Company with a contractual guarantee that Aurizona will complete its ramp up to 125,000 ounces of annual gold production by the end of 2013.

"The Phase 1 Expansion Project at Aurizona will increase Sandstorm's cash flow and is an important next step for Luna as they assess Phase 2 expansion", said Sandstorm President & CEO Nolan Watson. "Aurizona is Sandstorm's flagship asset and this capital contribution demonstrates our commitment to being a strong partner with Luna for years to come."

In accordance with Sandstorm's gold stream agreement with Luna, Sandstorm is entitled to purchase 17% of the life of mine gold produced from Aurizona, at a per ounce price of US\$400.

ABOUT SANDSTORM GOLD

Sandstorm Gold Ltd. is a gold streaming company. Sandstorm provides upfront financing for gold mining companies that are looking for capital. In return, Sandstorm receives a gold streaming agreement. CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION

This press release contains "forward-looking statements", within the meaning of the U.S. Securities Act of 1933, the U.S. Securities Exchange Act of 1934, the Private Securities Litigation Reform Act of 1995 and applicable Canadian securities legislation, concerning the business, operations and financial performance and condition of Sandstorm Gold Ltd. ("Sandstorm"). Forward-looking statements include, but are not limited to, statements with respect to the future price of gold, the estimation of mineral reserves and resources, realization of mineral reserve estimates, the timing and amount of estimated future production. Forward-looking statements can generally be identified by the use of forward-looking terminology such as "may", "will", "expect", "intend", "estimate", "anticipate", "believe", "continue", "plans", or similar terminology.

Forward-looking statements are made based upon certain assumptions and other important factors that, if untrue, could cause the actual results, performances or achievements of Sandstorm to be materially different from future results, performances or achievements expressed or implied by such statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which Sandstorm will operate in the future, including the price of gold and anticipated costs. Certain important factors that could cause actual results, performances or achievements to differ materially from those in the forward-looking statements include, amongst others, gold price volatility, discrepancies between actual and estimated production, mineral reserves and resources and metallurgical recoveries, mining operational and development risks relating to the parties which produce the gold Sandstorm will purchase, regulatory restrictions, activities by governmental authorities (including changes in taxation), currency fluctuations, the global economic climate, dilution, share price volatility and competition.

Forward-looking statements are subject to known and unknown risks, uncertainties and other important factors that may cause the actual results, level of activity, performance or achievements of Sandstorm to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: the impact of general business and economic conditions, the absence of control over mining operations from which Sandstorm will purchase gold and risks related to those mining operations, including risks related to international operations, government and environmental regulation, actual results of current exploration activities, conclusions of economic evaluations and changes in project parameters as plans continue to be refined, risks in the marketability of minerals, fluctuations in the price of gold, fluctuation in foreign exchange rates and interest rates, stock market volatility, as well as those factors discussed in the section entitled "Risks to Sandstorm" in Sandstorm's annual report for the financial year ended December 31, 2011 available at www.sedar.com. Although Sandstorm has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. Sandstorm does not undertake to update any forward looking statements that are contained or incorporated by reference, except in accordance with applicable securities laws.
