# Particulars of Matters to be Acted Upon

## Election of Directors

The directors (“**Directors**”) of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until their successors are appointed. The Board of Directors of the Company (the “**Board**”) currently consists of six Directors, however, Shareholder (as hereinafter defined in this Circular) approval will be sought to fix the number of Directors of the Company at **seven**.

At the Meeting, the seven persons named hereunder will be proposed for election as Directors of the Company (the “**Nominees**” and each, a “**Nominee**”). All of the Nominees (except for Vera Kobalia, who is a new Nominee), currently serve on the Board and each has expressed his or her willingness to serve on the Board for another term.

The Board and management consider the election of each of the Nominees to be appropriate and in the best interests of the Company. **Accordingly, unless otherwise indicated, the persons designated as proxyholders in the accompanying proxy will vote the Shares (as hereinafter defined in this Circular) represented by such form of proxy, properly executed, FOR the election of each of the Nominees whose names are set forth below.** Management does not contemplate that any of the Nominees will be unable to serve as a Director, but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority shall be exercised by the persons named in the accompanying proxy to vote the proxy for the election of any other person or persons in place of any Nominee or Nominees unable to serve. ## MAJORITY VOTING POLICY

### A Majority Voting Policy is in Place

The Board has adopted a *Majority Voting Policy* stipulating that if the votes in favour of the election of a Director at a Shareholder meeting represent less than a majority (i.e. 50% + 1) of the votes cast with respect to his or her election, that Director will immediately tender his or her resignation (“**Resignation**”) to the Board after the Shareholder meeting. Within 90 days of the Shareholder meeting, the Board shall conclude its deliberations and will determine whether or not to accept the Resignation, however, as mandated in the TSX Company Manual, the Board

shall accept the Resignation absent exceptional circumstances and the Director in question will not participate in any Board deliberations on the Resignation. The Board’s decision to accept or reject the Resignation offer will promptly be disclosed to the public by news release. If a Resignation is tendered and accepted pursuant to the *Majority Voting Policy*, subject to any applicable corporate law restrictions, the Board may leave the vacancy unfilled or may appoint a new Director to fill the vacancy. The Company’s *Majority Voting Policy* does not apply in circumstances involving contested Director elections.

(1) The members of the Company's Audit Committee (the "Audit Committee") meet in camera with the Company's auditors at each Audit Committee meeting.

## Appointment of Auditors

PricewaterhouseCoopers LLP, Chartered Professional Accountants (“**PwC**”), are the auditors of the Company. **Accordingly, unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Shares represented by such form of proxy, properly executed, FOR the appointment of PwC as the auditors of the Company to hold office for the ensuing year at a remuneration to be fixed by the Directors.**

PwC were first appointed as auditors of the Company on June 17, 2016 when, pursuant to National Instrument 51-102, *Continuous Disclosure Obligations* (“**NI 51-102**”), the Company requested that their former auditor, Deloitte LLP (“**Deloitte**”), Chartered Professional Accountants, resign as the Company’s auditor. Pursuant to Section 204(4) of the *Business Corporations Act* (British Columbia), the Directors of the Company were entitled to fill any casual vacancy in the office of the auditor and accordingly appointed PwC as the Company’s auditor in the place and stead of Deloitte until the close of the next Annual General Meeting of the Company. There were no “reportable events” including disagreements, unresolved issues and consultations, as defined in NI 51-102, between the Company and Deloitte or PwC and the resignation and the recommendation to appoint PwC was approved by the Audit Committee and the Board.

## Approval of Advance Notice Policy

### BACKGROUND

On April 27, 2018, the Board adopted and approved an advance notice policy (the “**Advance Notice Policy**” or “**Policy**”) with immediate effect, a copy of which is attached to this Circular as Schedule “A”. In order for the *Advance Notice Policy* to remain in effect following termination of the Meeting, the *Advance Notice Policy* must be ratified and approved at the Meeting, as set forth more fully below.

### PURPOSE

The Directors of the Company are committed to: **(i)** facilitating an orderly and efficient process for holding annual general and, where the need arises, special meetings of its Shareholders; **(ii)** ensuring that all Shareholders receive adequate advance notice of the Director nominations and sufficient information with respect to all Director nominees; and **(iii)** allowing Shareholders to register an informed vote for Directors of the Company after having been afforded reasonable time for appropriate deliberation. The purpose of the *Advance Notice Policy* is to provide Shareholders, Directors and management of the Company with a clear framework for nominating Directors of the Company. The *Advance Notice Policy* fixes a deadline by which Director nominations must be submitted to the Company prior to any annual or special meeting of Shareholders and sets forth the information that must be included in the notice to the Company for the notice to be in proper written form in order for any Director nominee to be eligible for election at any annual or special meeting of Shareholders.

## POLICY TERMS

The following information is a brief description of the *Advance Notice Policy*, the full text of which is attached as Schedule "A". Pursuant to the Policy, advance notice is required to be given to the Company in circumstances where nominations of persons for election to the Board are made by Shareholders of the Company. In the case of an annual meeting of Shareholders, notice to the Company must be made not less than 30 days nor more than 65 days prior to the date of the annual meeting. However, in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement. In the case of a special meeting of shareholders (which is not also an annual meeting) notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

## APPROVAL BY SHAREHOLDERS

If the *Advance Notice Policy* is approved at the Meeting, the *Advance Notice Policy* will continue to be effective and in full force and effect in accordance with its terms and conditions beyond the termination of the Meeting. Thereafter, the *Advance Notice Policy* will be subject to an annual review by the Board and will be updated to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges, or so as to meet industry standards. If the *Advance Notice Policy* is not approved at the Meeting, the *Advance Notice Policy* will terminate and be of no further force or effect from and after the termination of the Meeting.

The Board and management consider the approval of the *Advance Notice Policy* to be appropriate and in the best interests of the Company. **Accordingly, unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Shares represented by such form of proxy, properly executed, FOR the approval of the *Advance Notice Policy*.**

The text of the ordinary resolution approving the *Advance Notice Policy* is set forth below, subject to such amendments, variations or additions as may be approved at the Meeting.

### **"RESOLVED, with or without amendment, that:**

- 1** the Company's *Advance Notice Policy* (the "**Advance Notice Policy**") as set forth in Schedule "A" to the Company's Management Information Circular dated April 27, 2018, be and is hereby ratified and approved;
- 2** the Board of Directors of the Company be authorized, in its discretion, to administer the *Advance Notice Policy* and to amend or modify the *Advance Notice Policy* in accordance with its terms and conditions to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges or so as to meet industry standards; and
- 3** any Director or officer of the Company be and is hereby authorized and directed, acting for, in the name of and on behalf of the Company, to execute or cause to be executed, under the corporate seal of the Company or otherwise, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such acts and things, as may in the opinion of such Director or officer of the Company be necessary or desirable to carry out the intent of the foregoing resolution."

## Other Matters

Management of the Company is not aware of any other matter to come before the Meeting other than as set forth in the notice of this Meeting (“**Notice of Meeting**”). If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the Shares represented thereby in accordance with their best judgment on such matter.

# General Proxy Information

## Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on behalf of a shareholder of the Company (a “**Shareholder**”) in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or Directors of the Company (the “**Management Proxyholders**”).

**A Shareholder has the right to appoint a person other than a Management Proxyholder, to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Shareholder.**

## Voting by Proxy

Only registered shareholders (“**Registered Shareholders**”) or duly appointed proxyholders are permitted to vote at the Meeting. Shares (as hereinafter defined) represented by a properly executed proxy will be voted for or against or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

## Completion and Return of Proxy

Completed forms of proxy must be deposited at the office of the Company’s registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, P.O. Box 4572, Toronto, Ontario, M5J 2Y1, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

## Non-Registered Holders

**Only Registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting.** Registered Shareholders are holders whose names appear on the Share register of the Company and are not held in the name of a brokerage firm, bank or trust company through which they purchased Shares. Whether or not you are able to attend the Meeting, Shareholders are requested to vote their proxy in accordance with the instructions on the proxy. Most Shareholders are “non-registered” Shareholders (“**Non-Registered Shareholders**”) because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of their shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or The Depository Trust & Clearing Corporation) of which the Intermediary is a participant.

There are two kinds of beneficial owners: those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners) and those who do not object (called “**NOBOs**” for Non-Objecting Beneficial Owners).

Issuers can request and obtain a list of their NOBOs from Intermediaries via their transfer agents, pursuant to National Instrument 54-101— *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and issuers can use this NOBO list for distribution of proxy-related materials directly to NOBOs. The Company has decided to take advantage of those provisions of NI 54-101 that allow it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a voting instruction form from the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”). These voting instruction forms are to be completed and returned to Computershare in the envelope provided or by facsimile. Computershare will tabulate the results of the voting instruction forms received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Shares represented by voting instruction forms they receive. Alternatively, NOBOs may vote following the instructions on the voting instruction form, via the internet or by phone.

With respect to OBOs, in accordance with applicable securities law requirements, the Company will have distributed copies of the Notice of Meeting, this Circular, the form of proxy or voting instruction form and the supplemental mailing list request card (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “**voting instruction form**”) which the Intermediary must follow; or
- (b) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the

Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and **deposit it with the Company**, c/o Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of their Shares they beneficially own. In addition, under New York Stock Exchange rules, an Intermediary subject to the New York Stock Exchange rules and who has not received specific voting instructions from the Non-Registered Shareholder may not vote the Shares in its discretion on behalf of such beneficial owner on “non-routine” proposals. “Routine” proposals typically include the ratification of the appointment of the Company’s independent registered chartered accountant. The approval of the number of Directors and the election of Directors, on the other hand, are each “non-routine” proposals. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the form of proxy and insert the Non-Registered Shareholder or such other person’s name in the blank space provided. Shares held by an Intermediary can only be voted by the Intermediary (for, withheld or against resolutions) upon the instructions of the Non-Registered Shareholder. Without specific instructions, Intermediaries are prohibited from voting Shares. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.**

If a Non-Registered Shareholder does not specify a choice and the Non-Registered Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

## **Revocability of Proxy**

Any Registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a Registered Shareholder, their attorney authorized in writing or, if the Registered Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. Only Registered Shareholders have the right to revoke a proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their Intermediary to revoke the proxy on their behalf.

## Notice and Access

In November 2012, the Canadian Securities Administrators announced the adoption of regulatory amendments to securities laws governing the delivery of proxy-related materials by public companies. As a result, public companies are now permitted to advise their Shareholders of the availability of all proxy-related materials on an easily-accessible website, rather than mailing physical copies of the materials.

The Company has decided to deliver the Meeting Materials to its Shareholders by posting the Meeting Materials on its website at [www.sandstormgold.com](http://www.sandstormgold.com). The Meeting Materials will be available on the Company's website as of **May 8, 2018**, and will remain on the website for one full year thereafter. The Meeting Materials will also be available under the Company's profile on SEDAR at [www.sedar.com](http://www.sedar.com) (Canada) or at [www.sec.gov](http://www.sec.gov) (United States) as of **May 8, 2018**.

Shareholders who wish to receive paper copies of the Meeting Materials may request copies from Kim Forgaard at the Company by calling toll-free in North America at 1-866-584-0234, Extension # 232, or from outside North America by calling 778-945-0972, or by e-mail at [info@sandstormltd.com](mailto:info@sandstormltd.com). Meeting Materials will be sent to such Shareholders at no cost to them within three business days of their request, if such requests are made before the Meeting. Those Shareholders with existing instructions on their account to receive a paper copy of the Meeting Materials will receive a paper copy of the Meeting Materials.

## Voting Securities and Principal Holders Thereof

The Company is authorized to issue an unlimited number of common shares without par value (the "Shares"), of which **184,211,541** Shares are issued and outstanding as of **April 27, 2018**. Persons who are Registered Shareholders at the close of business on **April 27, 2018** will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each Share held. The Company has only one class of shares.

## Compensation Discussion and Analysis

### COMPENSATION PROGRAM OVERVIEW

#### ► *Objectives of Compensation Program*

The Company’s long-term corporate strategy is central to all of the Company’s business decisions, including around executive compensation. The Company’s compensation programs are designed to attract, motivate and retain high-caliber executives and align their interests with sustainable profitability and growth of the Company over the long-term in a manner which is fair and reasonable to the Shareholders.

#### ► *Compensation Philosophy*

The following key principles guide the Company’s overall compensation philosophy:

- (a) compensation is determined on an individual basis by the need to attract and retain talented high-achievers;
- (b) calculating total compensation is set with reference to the market for similar jobs in similar locations;
- (c) an appropriate portion of total compensation is variable and linked to achievements, both individual and corporate;

- (d) internal equity is maintained such that individuals in similar jobs are treated fairly; and
- (e) the Company supports reasonable expenses in order that employees continuously maintain and enhance their skills.

► **Compensation Goals**

- 1 Attract, Hold and Inspire Key Talent — the compensation package meets the goal of attracting, holding and motivating key talent in a highly competitive mining environment through the following elements:
  - a competitive cash compensation program, consisting of base salary and bonus, which is generally consistent with similar opportunities; and
  - providing an opportunity to participate in the Company's growth through Stock Options and Restricted Share Rights (as hereinafter defined in this Circular).
- 2 Alignment of Interest of Management with Interest of the Company's Shareholders — the compensation package meets the goal of aligning the interests of management with the interest of the Company's Shareholders through the following elements:
  - the award of Stock Options and Restricted Share Rights, each of which aligns both the upside potential and the downside risk of returns. If the price of the Company's Shares increases over time, both executives and Shareholders will benefit;
  - staged vesting of both Stock Options and Restricted Share Rights (over a period of three years), each of which drives management to create long-term Shareholder value, rather than focusing on short-term increases. The vesting element also encourages executives to remain with the Company; and
  - an executive Share ownership policy which requires that management (and the independent members of the Board) own a minimum number of Shares (please refer to the "CORPORATE GOVERNANCE - Stock Ownership Guidelines Policy" portion of this Circular for full details).

► ***Compensation Risk Assessment and Governance***

The Company's Compensation Committee was formed in May 2015 and is responsible for reviewing the overall executive compensation program on an annual basis and considering the implications of the risks associated with the Company's executive compensation policies, philosophy and practices. The Compensation Committee follows an overall compensation model which ensures that an adequate portion of overall compensation for the Named Executive Officers is "at risk" and only realized through the performance of the Company over both the short-term and long-term. Short-term incentive structures (i.e. annual performance-based cash incentives) are designed to include multiple elements so as to mitigate the risk of maximizing one component at the expense of another. Long-term components, such as the award of Restricted Share Rights or the grant of Stock Options, are all subject to three year vesting periods, thus reducing incentives on the part of executives to engage in any imprudent short-term risks. The realization of value from the long-term incentive component of the executive compensation program is entirely dependent upon long-term appreciation in Shareholder value. In addition to these structural components, the Compensation Committee also has regard to the fact that two of the Named Executive Officers are original founders of the Company and continue to retain significant personal shareholdings in the Company and therefore have a direct personal interest in the maximization of Shareholder value. Additionally, the Company has adopted a number of policies and guidelines which further discourage inappropriate or excessive risk-taking and promote a culture of ownership among the Company's senior executives, as outlined in the table below:

POLICY/GUIDELINE	APPLIES TO	HOW
<b>Clawback Policy</b>	The CEO, President, CFO, Controller, any Vice-President of the Company in charge of a principal business unit, division or function, and any other officer or person who performs a significant policy making function for the Company.	Applies in the event of a <i>material restatement</i> of the Company's financial results as a result of material non-compliance with financial reporting requirements. The Clawback Policy applies to any incentive-based compensation (including cash and equity such as Stock Options and Restricted Share Rights, which is granted, earned or vested based wholly or in part upon the attainment of any " <i>financial reporting measure</i> ") paid to an Executive Officer (as defined in the Clawback Policy) during any of the three fiscal completed years immediately preceding the date the Company is required to restate its financial results.
<b>Anti-Hedging Policy</b>	All Directors, officers and employees of the Company or its subsidiaries or, to the extent practicable, any other person (or their associates) in a special relationship (within the meaning of applicable securities laws) with the Company.	The Company does not permit its executive officers, employees or Directors to hedge any of the equity compensation granted to them – ie. the Anti-Hedging Policy prohibits directly or indirectly engaging in hedging against future declines in the market value of any securities of the Company through the purchase of financial instruments designed to offset such risk.
<b>Stock Ownership Guidelines Policy</b>	The CEO, CFO, Senior Executive Vice-President, Senior Vice-President of Corporate Development and the Executive Vice-President, Project Evaluation as well as each of the non-employee Directors.	Required to hold Shares/Restricted Share Rights (unexercised Stock Options, whether vested or not, do not apply) which are worth a specified multiple of their annual base salary (in the case of the NEO's) or the cash annual retainer (in the case of the non-employee Directors). The applicable guideline level of Share ownership is expected to be satisfied by the current Directors by March 30, 2021. Assuming that new Nominee, Vera Kobalia, is elected to the Board at the Meeting, she will be expected to satisfy her applicable guideline level of Share ownership by June 15, 2023.  Aligns the financial interests of the Company's NEOs and non-employee Directors with those of the Shareholders. See page 71 for details on the Stock Ownership Guidelines Policy.
<b>Double Trigger vesting of equity upon change of control</b>	All executives and employees of the Company who have been awarded equity-based compensation (i.e. Stock Options/Restricted Share Rights)	Stock Option/Restricted Share Rights awards are subject to double trigger vesting (i.e. change of control and subsequent termination without cause or with good reason).

Please refer to "Clawback Policy", "Anti-Hedging Policy" and "Stock Ownership Guidelines Policy", under "CORPORATE GOVERNANCE" in this Circular for additional details concerning these important policies.

There are no risks that have been identified in the Company's compensation policies or practices that would reasonably be likely to have a material adverse effect on the Company.

## ROLE OF THE COMPENSATION COMMITTEE

The Compensation Committee was established by the Board to assist the Board in fulfilling its responsibilities relating to compensation matters, including the evaluation and approval of the Company's compensation plans, policies and programs. The Compensation Committee ensures that the Company has an executive compensation plan that is both motivational and competitive so that it will attract, hold and inspire performance by executive officers and other members of senior management (collectively referred to under this heading only as, "**Executive Management**") in a manner that will enhance the sustainable profitability and growth of the Company.

The members of the Compensation Committee are John P.A. Budreski (Chair), David E. De Witt and Mary L. Little, who are all independent as required under TSX/NYSE American rules. The Compensation Committee requires members who possess the ability to exercise independent judgment and reasoning, are able to apply analytical and logical thinking, have knowledge of the competitive marketplace for executives and have experience with the objectives and purposes of compensation programs. All of these skills have been obtained through the combined business experiences of the members of the Compensation Committee, including experience with financial matters, human resources and management of public companies. The skills and experience of the individual members of the Compensation Committee enable the Compensation Committee to make the necessary decisions on the suitability of the Company's compensation policies and practices.

In accordance with the Terms of Reference for the Compensation Committee, the Compensation Committee shall:

- meet at least one per year;
- review and recommend the compensation philosophy and guidelines for the Company, including considering the implications of the potential risks associated with the Company's compensation policies and programs;
- lead the annual CEO review/evaluation process and recommend CEO compensation to the Board for approval and report the results of the process to the Board;
- in consultation with the CEO, review the CEO's assessment of non-CEO Executive Management and fix the compensation of each member of non-CEO Executive Management for recommendation to the Board for approval;
- in consultation with the CEO, review and make recommendations to the Board for its approval: (i) all matters concerning incentive awards, compensation performance targets, perquisites and other remuneration matters with respect to Executive Management; (ii) benefit plans applicable to Executive Management; and (iii) any stock option plan, restricted share plan, performance share plan, or other similar equity-based plan and the granting/awarding of any amounts under such plans;
- review and recommend for approval any agreements providing for the payment of benefits following a change of control or severance of Executive Management following a termination of employment; and
- annually review the Directors' compensation program and make any recommendations to the Board for approval.

The Compensation Committee has the authority to retain and receive advice from compensation consultants to carry out its duties, but to date has not determined it necessary to do so.

A copy of the Terms of Reference for the Compensation Committee may be accessed on the Company's website at [www.sandstormgold.com](http://www.sandstormgold.com).

During 2017, the Compensation Committee reviewed the Company's past and current compensation levels for executives in the context of practices in the current market and with reference to an array of companies with similar attributes, which companies were selected by the Compensation Committee as set out below under "*Benchmarking*" (the "**2017 Combined Comparator Group**"). The Compensation Committee made recommendations to the Board after reviewing these matters, discussing various factors with management, comparing compensation to the 2017 Combined Comparator Group, and receiving recommendations from the CEO with respect to 2018 annual base salaries and 2017 annual performance-based cash incentives and long-term incentive awards for the Company's non-CEO executive officers. In making its recommendations to the Board, the Compensation Committee was satisfied that all recommendations complied with the Compensation Committee's philosophy and guidelines.

► **Role of the CEO in 2017 with the Compensation Committee**

The CEO completed an annual review and assessment of each executive's performance. Based on his evaluation, the CEO made a recommendation to the Compensation Committee on base salaries, cash bonuses and long-term incentive plan awards for each executive, which was taken into consideration by the Compensation Committee in completing its review and ultimate recommendations to the Board.

► **Benchmarking**

The Compensation Committee members believe that it is appropriate to establish compensation levels based in large part on benchmarking against similar companies. In this way, the Company can gauge if its compensation is competitive and reasonable. The Company uses a comparator group of publicly-traded mining and royalty companies of similar size, as determined by market capitalization and complexity, to the Company and that are based in North America. The following table summarizes the 2017 Combined Comparator Group used for the purpose of determining 2018 annual base salaries and 2017 annual bonuses and equity-based compensation:

**2017 Combined Comparator Group**

## EXECUTIVE COMPENSATION ELEMENTS

It is the compensation philosophy of the Company to provide a market-based blend of base salaries, cash bonuses and long-term equity incentives in the form of stock options (“**Stock Options**”) and/or restricted share rights (“**Restricted Share Rights**” or “**RSRs**”). The Company believes that the bonus, Stock Option and/or Restricted Share Rights components of compensation serve to further align the interests of management with the interests of the Shareholders.

For the financial year ended December 31, 2017, the Company’s executive compensation program consisted of the following elements:

- base salary;
- annual performance-based cash incentives;
- equity compensation consisting of Restricted Share Rights;
- equity compensation consisting of Stock Options; and
- medical and other benefits.

The specific rationale and design of each of these elements are outlined in detail below:

### ELEMENT OF COMPENSATION

### SUMMARY AND PURPOSE OF ELEMENT

#### **Base Salary**

Salaries form an essential element of the Company’s compensation mix as they are the first base measure to compare and remain competitive relative to peer groups. Base salaries are fixed and therefore not subject to uncertainty and are used as the base to determine other elements of compensation and benefits. The Compensation Committee will review the salaries of Named Executive Officers at least annually as part of their overall competitive market assessment. The Compensation Committee intends to recommend annual salary adjustments by December of each year for the 12-month period from January 1 to December 31 of the following year.

---

#### **Annual Performance-Based Cash Incentives**

Annual performance-based cash incentives are a variable component of compensation designed to reward the Company’s executives for maximizing annual operating performance, including in relation to the Company’s acquisition and growth initiatives. In recommending annual performance-based awards, the Compensation Committee considers that such bonus awards are intended to incentivize management during the year to take actions and make decisions within their control, and, as a result, the performance criteria do not include matters outside of the control of management, most notably commodity pricing. The Compensation Committee considers and reviews annual performance-based cash awards as part of its overall annual assessment of the Company and individual performance. The Compensation Committee intends to recommend awards by December of each year for the 12-month period from January 1 to December 31 of the current completed year.

**Restricted Share Rights**

The award of Restricted Share Rights under the Company's Restricted Share plan (the "**Restricted Share Plan**") is a variable and discretionary component of compensation intended to reward the Company's executive officers for accretively growing the Company and increasing the value of the Shares. Awards of Restricted Share Rights seek to align the interests of management with the interests of the Company's Shareholders through the possible increase in the price of the Shares over time. Restricted Share Rights always have a minimum vesting period of three years attached and are settled in Shares on vesting.

The Compensation Committee considers and reviews awards of Restricted Share Rights as part of its overall assessment of the Company and individual performance. If deemed appropriate in the circumstances, the Compensation Committee may recommend the award of Restricted Share Rights by December of each year for the 12-month period from January 1 to December 31 of the current completed year.

---

**Stock Options**

The granting of Stock Options under the Company's Stock Option plan (the "**Stock Option Plan**") is a variable and discretionary component of compensation intended to incentivize the Company's executive officers to accretively grow the Company and increase the value of the Shares. Stock Option grants always have a term of five years with a minimum vesting period of three years attached.

The Compensation Committee considers and reviews the grant of Stock Options as part of its overall assessment of the Company and individual performance. If deemed appropriate in the circumstances, the Compensation Committee may recommend the grant of Stock Options by December of each year for the 12-month period from January 1 to December 31 of the current completed year.

**Other Compensation  
(Perquisites)**

The Company's executive employee benefit program includes life, medical, dental and disability insurance, along with paid parking. Such benefits and perquisites are designed to be competitive overall with equivalent positions in comparable Canadian and United States organizations.

Total compensation, which is comprised of base salaries, bonuses, Stock Options and/or Restricted Share Rights awards, is generally set at the average compared to industry peers, typically with base salaries targeted at lower than average and variable elements (i.e. bonuses and Stock Options/Restricted Share Rights) targeted at higher than average.

The Company does not currently plan on making any significant changes to its compensation policies and practices in the next financial year.

The breakdown of each element of compensation of the CEO as a percentage of total compensation is reflected in the following pie chart for 2017:

► **Base Salary**

In determining the base salary of a Named Executive Officer, the Compensation Committee considers the recommendations made annually by the CEO and reviews the remuneration paid to executives with similar titles (including the CEO) at a comparator group of companies in the marketplace, based on sector, market capitalization and complexity. In arriving at an overall subjective assessment of base salary to be paid to a particular executive officer, the Compensation Committee also considers the particular responsibilities of the position, the experience level of the executive officer, his/her past performance at the Company, the performance of the Company over the past year and an overall assessment of market, industry and economic conditions. As previously mentioned, base salaries are reviewed at least annually, typically by December of each year for the 12-month period from January 1 to December 31 of the following year.

Based on the average of comparable positions in the 2017 Combined Comparator Group utilized by the Company in December 2017 to establish the 2018 base salaries of its executives, the 2018 base salary established for: (i) each of the CEO (Mr. Watson) and the CFO (Mr. Kazemi) was set within the “below average” range, and (ii) each of the Senior Executive Vice President (Mr. Awram) and the Senior Vice-President, Corporate Development (Mr. Spencer) was set within the “average” range. The 2018 base salary established for the Executive Vice-President, Project Evaluation (Mr. Bruington) was set within the 75th percentile of comparative data from the 2017 Combined Comparator Group due to Mr. Bruington’s extensive experience in the technical evaluation of mineral assets, which is a key skill for the success of the Company

## 2017/2018 Base Salaries

Named Executive Officer	2017 Base (\$) <sup>(1)</sup>	2018 Base (\$) <sup>(1)</sup>	% Change
Nolan Watson	302,898	318,840	5.3%
Erfan Kazemi	231,159	239,130	3.5%

Tom Bruington	402,536	410,506	2.0%
Adam Spencer	223,188	231,159	3.6%

(1) Canadian dollar values have been converted to United States Dollars for reporting purposes in the table above at the noon exchange rate on December 29, 2017 as quoted by the Bank of Canada ("BoC") of C\$1.00 = US\$0.7971.

### ► Annual Performance-Based Cash Incentives

As discussed above, in determining the annual cash bonus of a Named Executive Officer, the Compensation Committee considers the recommendations made by the CEO in assessing the Company and each Named Executive Officer's personal performance over the past year, other than with respect to the CEO's own compensation, which is determined by the Compensation Committee and ultimately approved by the Board. The Compensation Committee assesses the following Company performance indicators:

- The value and accretiveness of completed transactions is evaluated based on the total dollar amount of transactions completed during the year, the number of transactions and the overall value accretion to the Company as a result of those transactions, including such metrics as cash-flow per Share, reserves per Share and resources per Share. This performance indicator is critical to the success of the Company due to the Company's unique business model and deal-driven nature.
- Relative Share performance is evaluated based on the Share price for the period January 1 to December 31, as compared to the share price of the companies comprising the applicable comparator group. The Compensation Committee believes this performance indicator aligns the interests of management to the interests of shareholders.
- Debt and equity financing(s) successfully completed during the financial year. The Compensation Committee believes this performance indicator may be an important element in the Company's ability to successfully attract and close streaming transactions.
- Fiscal responsibility with respect to level of control and management of the Company's general and administrative expenses for the relevant period.

The Compensation Committee also reviews the individual personal performance of each of the Named Executive Officers. Evaluation of personal performance factors is subjective and includes consideration of quality of work, effort undertaken and leadership abilities, among other factors. Other exceptional or unexpected factors that may be considered in the evaluation of a Named Executive Officer's performance are subjective and not defined.

In taking into account the financial performance aspect, it is recognized that executive officers cannot control certain factors, such as interest rates and the international market for commodities such as gold. When applying the financial performance criteria, the Compensation Committee emphasizes factors over which the executive officers can exercise control, such as meeting budget targets, controlling costs, taking successful advantage of business opportunities and enhancing the competitive and business prospects of the Company. The general guideline weightings of each component of compensation considered by the Compensation Committee for 2017/2018 are set out in the chart below:

<b>40%</b>	<b>Value and Accretiveness of Completed Transactions</b>
<b>30%</b>	<b>Relative Share Price Performance</b>
<b>20%</b>	<b>Debt &amp; Equity Financings Completed</b>
<b>10%</b>	<b>General and Administrative Cost Control and Other Matters</b>

For 2017, the Compensation Committee observed that, although the mining industry continued to face significant challenges following several years of falling commodity prices, effective cost management and strength in the Company's balance sheet remained key components of management's strategy. With the Company's available cash, credit facility and incoming cash flow, management was able to aggressively pursue transactions on behalf of the Company, with the result that 2017 was another strong building year for the Company, during which it:

- acquired 38 streams and royalties;
- allocated \$196 million in capital (resulting in value accretion to the Shareholders of approximately \$60 - \$80+ million);
- sold non-core investments for estimated gains of \$9 million;
- organized a syndicate for significantly increasing the Company's revolving credit facility to \$150 million with lower interest rates and fewer covenants; and
- had record gold production;

(collectively referred to in this Circular as the "**2017 Corporate Achievements**").

The 2017 Corporate Achievements were accomplished as a direct result of the collective efforts and performance of the Company's Named Executive Officers and their respective support teams.

As previously mentioned, typically annual cash bonus awards are made by December of each year for the 12-month period from January 1 to December 31 of the current completed year. In December 2017, the Compensation Committee recommended, and the full Board approved, the award of bonuses for individual performance to Mr. Watson (\$557,970), Mr. Awram (\$398,550), Mr. Kazemi (\$239,130) and Mr. Spencer (\$187,318), who each met or exceeded their personal objectives during 2017.

The table below outlines NEO bonuses for 2017 expressed as a percentage of each NEO's 2017 base salary:

## 2017 Bonuses

Named Executive Officer	2017 Base (\$) <sup>(1)</sup>	2017 Bonus (\$) <sup>(1)</sup>	% of 2017 Base Salary
Nolan Watson	302,898	557,970	184%
Erfan Kazemi	231,159	239,130	103%
David Awram	263,043	398,550	151%
Tom Bruington	402,536	-	-
Adam Spencer	223,188	187,318	84%

(1) Canadian dollar values have been converted to United States Dollars for reporting purposes in the table above at the noon exchange rate on December 29, 2017 as quoted by the BofC of C\$1.00 = US\$0.7971.

The Company's compensation philosophy is to target variable compensation bonuses at higher than average compared to the applicable comparator group. Cash based incentives awarded by the Company for fiscal 2017 to its Named Executive Officers based on similar positions at the 2017 Combined Comparator Group were: (i) set within the "above average" range for each of the CEO (Mr. Watson) and the CFO (Mr. Kazemi); and (ii) set within the "average" range for each of the Senior Executive Vice President (Mr. Awram) and the Senior Vice-President, Corporate Development (Mr. Spencer). Mr. Bruington did not receive a cash bonus for 2017.

The Compensation Committee may exercise discretion either to award compensation absent attainment of the relevant performance goals or to reduce or increase the size of any proposed award or payout. For 2017, the Compensation Committee recommended increasing the proposed total compensation packages for each of Messrs. Watson and Awram, which adjustments were achieved via an increase in their suggested bonuses and an increase in the number of RSRs awarded to each of them. The purpose for this recommendation was: (i) to keep the Company competitive with its peers (based upon the 2017 Combined Comparator Group compensation information), and (ii) to reward Messrs. Watson and Awram for their performance in 2017 based upon the 2017 Corporate Achievements.

Following these adjustments, it was noted by the Compensation Committee that the total compensation package for Mr. Watson was set at the "75th percentile average" compared to the 2017 Combined Comparator Group and was comprised of: (i) a "below average" base salary for 2018; (ii) an "above average" bonus for 2017, and (iii) stock-based compensation for 2017 which is "above average". Based upon the 2017 Combined Comparator Group, total compensation for Mr. Awram was comprised of: (i) an "average" base salary for 2018 (based upon the COO data); (ii) an "average" bonus for 2017 (based upon the average of the combined CEO and COO data); and (iii) stock-based compensation for 2017 which is "average" (also based upon the average of the combined CEO and COO data). It was noted that the total compensation package for Mr. Kazemi was set at the "above average" compensation compared to the 2017 Combined Comparator Group and was comprised of: (i) a "below average" base salary for 2018; (ii) an "above average" bonus for 2017, and (iii) stock-based compensation for 2017 which is just slightly "below average".

► *Restricted Share Rights*

Restricted Share Rights may be awarded under the Restricted Share Plan. The Restricted Share Plan provides that Restricted Share Rights may be granted to participants (as defined in the Restricted Share Plan) as a discretionary payment in consideration of past services to the Company. The purpose of the Restricted Share Plan is to advance the interests of the Company through the motivation, attraction and retention of such persons and to secure for the Company and the Shareholders the benefits inherent in the ownership of Shares by such persons, it being generally recognized that restricted share plans aid in attracting, retaining and encouraging such persons due to the opportunity offered to them to acquire a proprietary interest in the Company. The Restricted Share Plan has been and may be used in the future to provide Restricted Share Rights which are awarded based on the recommendations of the Compensation Committee of the Company, taking into account the level of responsibility of the executive as well as his or her past impact on or contribution to, and/or his or her ability in the future to have an impact on or to contribute to the longer-term operating performance of the Company. The quantum of individual Restricted Share Rights awards to each Named Executive Officer is based on a targeted value for the long-term incentive component of the overall compensation for each Named Executive Officer, which is then used to determine an actual number of Restricted Share Rights to be recommended (if deemed appropriate in the circumstances) to the Compensation Committee for approval and then recommended to the full Board, based on the fair market value of the Restricted Share Rights as of the date of award.

In December 2017, the Compensation Committee recommended, and the full Board approved, the award of Restricted Share Rights to each of the Named Executive Officers as a discretionary payment in consideration of services to the Company. All of the Restricted Share Rights awards were made for individual performance due to the attainment of the 2017 Corporate Achievements and each of the NEOs having met or exceeded their personal objectives during 2017. An aggregate of 321,000 Restricted Share Rights (representing approximately 0.2% of the issued and outstanding Shares at December 31, 2017) were awarded to the Named Executive Officers, as follows:

## 2017 RSR Awards

Named Executive Officer	Number of RSRs Awarded	Value (\$) <sup>(1)</sup>
Nolan Watson	136,000	589,873
Erfan Kazemi	40,000	173,492
David Awram	90,000	390,357
Tom Bruington	15,000	65,059
Adam Spencer	40,000	173,492

(1) All awards were effective December 5, 2017 at a deemed value of C\$5.50 per RSR based upon the closing price of the Shares on the TSX on the award date. Canadian dollar values have been converted to United States Dollars for reporting purposes in the table above at the noon exchange rate on December 5, 2017 as quoted by the BofC of C\$1.00 = **US\$0.7886**.

These Restricted Share Rights all vest over a three-year period, the first one-third of which vests on the first anniversary of the date of the award. None of these awards were based, wholly or in part, upon the attainment of any specific “*financial reporting measure*” which would make such awards subject to recovery pursuant to the terms of the Company’s Clawback Policy. Financial reporting measures are those that are determined and presented in accordance with the accounting principles used in preparing the Company’s financial statements and any measures derived wholly or in part from such financial information.

Please refer to “Restricted Share Plan” under “SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS” in this Circular for additional details concerning the Restricted Share Plan.

### ► **Stock Options**

Stock Options may be granted pursuant to the Stock Option Plan. The Stock Option Plan is designed to advance the interests of the Company by encouraging eligible participants to have equity participation in the Company through the acquisition of Shares. The Stock Option Plan has been and may be used in the future to provide Stock Options which are granted based on the recommendations of the Compensation Committee of the Company, taking into account the level of responsibility of the executive as well as his or her past impact on or contribution to, and/or his or her ability in the future to have an impact on or to contribute to the longer-term operating performance of the Company. In determining the number of Stock Options to be granted to the Company’s executive officers, the Compensation Committee takes into account the number of Stock Options, if any, previously granted to each executive officer, and the exercise price of any outstanding Stock Options to ensure that such grants are in accordance with the policies of the TSX and to closely align the interests of the executive officers with the interests of the Shareholders. The quantum of individual Stock Option grants to each Named Executive Officer is based on a targeted value for the long-term incentive component of the overall compensation for each Named Executive Officer, which is then used to determine an actual number of Stock Options to be recommended (if deemed appropriate in the circumstances) to the Compensation Committee for approval and then recommended to the full Board, based on the fair market value of the Stock Options as of the date of grant.

In December 2017, the Compensation Committee recommended, and the Board approved, the award of Stock Options to four of the five Named Executive Officers. All of the Stock Option grants were made for individual performance due to the attainment of the 2017 Corporate Achievements and each of the NEOs having met or exceeded their personal objectives during 2017. An aggregate of 695,000 Stock Options (representing approximately 0.4% of the issued and outstanding Shares at December 31, 2017) were awarded to the Named Executive Officers, as follows:

### 2017 Stock Option Awards

Named Executive Officer	Number of Stock Options Awarded	Value (\$) <sup>(1)</sup>
Nolan Watson	210,000	\$279,300
Erfan Kazemi	100,000	\$133,000
David Awram	160,000	\$212,800
Tom Bruington	225,000	\$299,250

(1) All awards were effective December 5, 2017 at an exercise price of C\$5.50, being the closing price of the Shares on the TSX on the award date. The Black-Scholes-Merton model is used as the methodology to calculate the grant date fair value (C\$1.69) and relied on the following key assumptions and estimates for the 2017 calculations: grant date Share price and exercise price of C\$5.50; expected stock price volatility 43.0%; risk free interest rate 1.64%; and expected life of options of three years. Canadian dollar values have been converted to United States Dollars (C\$1.69 = \$1.33) for reporting purposes in the table above at the noon exchange rate on December 5, 2017 as quoted by the BofC of C\$1.00 = US\$0.7886.

These Stock Options all vest annually over a three-year period, the first one-third of which vests on the first anniversary of the date of the grant. None of these grants were based, wholly or in part, upon the attainment of any “*financial reporting measure*” which would make such grants subject to recovery pursuant to the terms of the Company’s Clawback Policy.

The Company’s compensation philosophy is to target variable compensation in the form of Stock Options/Restricted Share Rights at higher than average compared to the applicable comparator group, however, equity compensation awarded by the Company for fiscal 2017 to its Named Executive Officers based on similar positions at the 2017 Combined Comparator Group was: (i) set within the “above average” range for each of the CEO (Mr. Watson) and the Executive Vice-President, Project Evaluation (Mr. Bruington); (ii) set within the “average” range for the Senior Executive Vice President (Mr. Awram); and (iii) set within the “below average” range for each of the CFO (Mr. Kazemi) and Senior Vice-President, Corporate Development (Mr. Spencer).

Please refer to “Stock Option Plan” under “SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS” in this Circular for additional details concerning the Stock Option Plan.

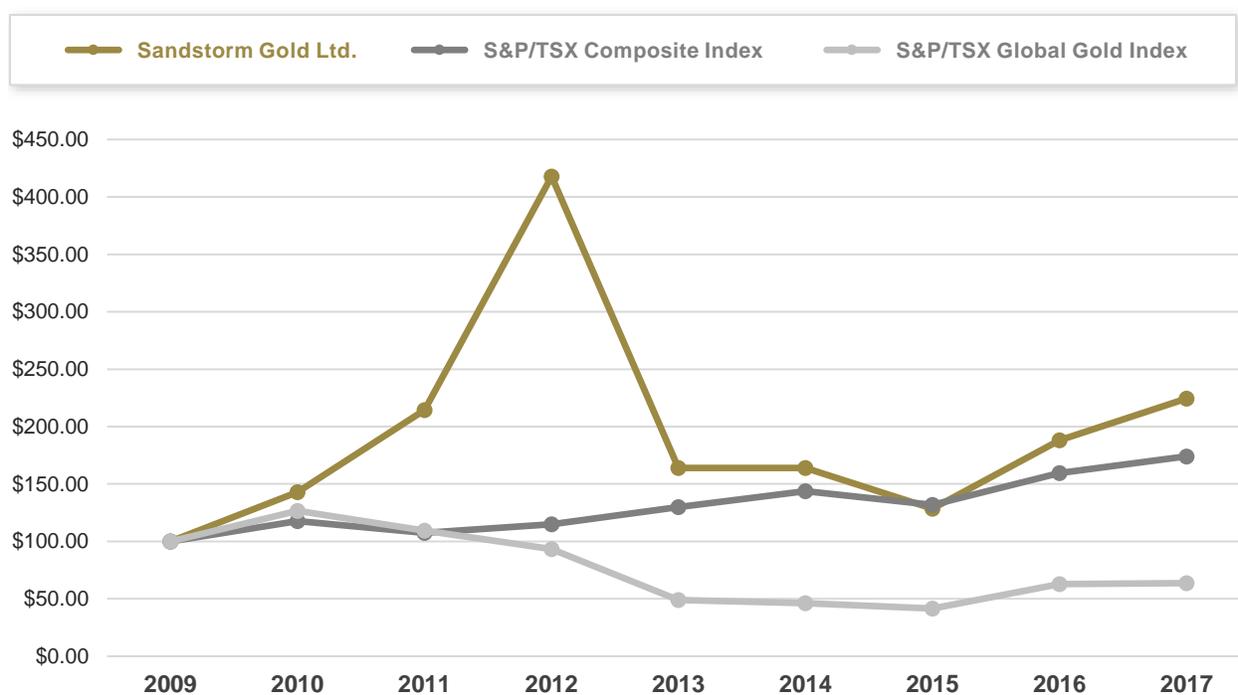

► **Other Compensation – Perquisites**

During the financial year ended December 31, 2017, none of the Named Executive Officers received any perquisites which in the aggregate were greater than C\$50,000 or 10% of the respective Named Executive Officer's salary.

The Company does not have any other long-term incentive plans, including any supplemental executive retirement plans.

► **Performance Graph**

The following graph compares our total Shareholder return to the capital markets for the past eight years ending December 31, 2017. It shows the change in value of C\$100 invested in the Shares on December 31, 2009 compared to C\$100 invested in the S&P/TSX Composite Index and the S&P/TSX Global Gold Index for the same period, assuming the reinvestment of all dividends.

(1) The Shares became listed on the TSX on November 23, 2012. Prior to such time, the Shares were listed on the TSX Venture Exchange.

Since 2012, the Company has provided significant growth for its Shareholders, although that growth was tempered in 2013 due to sharp declines in the price of gold which resulted in capital exiting the gold sector, driving equity prices down. 2014 was another challenging year for the gold sector and the Company's total Shareholder return performance continued to weaken in conjunction with the overall weakness in the gold equity market. In 2015, the Company's stock price outperformed its mining peer group by 7% and outperformed its royalty peer group by 3%. In 2016, the Company's stock price was comparable to its mining peer group and outperformed its royalty peer group by 20%. In 2017, the Company's stock price outperformed its mining peer group by 25% and outperformed its royalty peer group by 20%.

The Company has continued to focus on operating in an efficient, cost effective manner and, due to the implementation of cost reduction initiatives, achieved an 12% decrease in its administrative expenses for 2016. Although the Company's compensation to its Named Executive Officers initially increased over the five year period to reflect the Company's growing business and increased complexities of its executive positions, salary levels remained fairly flat from 2012 for most of the executives and aggregate compensation to the Company's Named Executive Officers; for 2013 - 2015 salary levels were lower than that of the comparator groups, reflective of the Company's Share price performance in 2013 – 2015. The 2016 and 2017 salary levels for each of the Named Executive Officers (excepting Mr. Bruington) were based on the average of comparable positions in the 2015 comparator group and 2016 comparator group, respectively, utilized by the Company in December 2015 and December 2016, to establish the 2016 and 2017 base salaries of its executives.

In December 2017, the 2018 salary levels set for the Named Executive Officers (excepting for Mr. Bruington) were in the below average to average range compared to comparable positions in the 2017 Combined Comparator Group.

While Share price is an important factor in the Company's target performance, the Compensation Committee recognizes that management has no ability to influence commodity prices (which have a significant impact on the Company's Share price performance) and therefore does not place undue emphasis on Share price performance in its evaluation of NEO performance. Other factors play a more significant role in the determination of executive compensation, including the actions and decisions by management which support overall business strategy and operation of the Company's business.

**If Share Price  
Declines, Executive  
Pay Declines**

The Company's Share price performance does, however, have a significant impact on each of the NEO's net realizable pay. A significant portion of NEO compensation is paid in long-term incentive plan awards (i.e. 50.5% of the CEO's total compensation in 2017), the value of which will vary depending on the Share price performance of the Company since declines in the Company's Share price performance since 2013 have had a direct impact on the value of Restricted Share Rights held by the Named Executive Officers and the in-the-money value of their outstanding Stock Options.

- (7) Mr. Spencer became an employee of the Company on September 3, 2013 and assumed the role of Vice-President, Corporate Development of the Company.
- (8) Mr. Bruington became an employee of the Company on January 15, 2013 and assumed the role of Executive Vice-President, Project Evaluation for the Company.
- (9) The Black-Scholes-Merton model is used as the methodology to calculate the grant date fair value (C\$1.69) and relied on the following key assumptions and estimates for the 2017 calculations: grant date Share price and exercise price of C\$5.50; expected stock price volatility 43.0%; risk free interest rate 1.64%; and expected life of options of three years. The Company chose this methodology as it is the standard for companies in Canada and has been consistently applied by the Company for valuing option-based awards granted by the Company since 2007. Canadian dollar values have been converted to United States Dollars for reporting purposes in this column at the noon exchange rate as quoted by the BofC on the last business day in December of C\$1.00 = US\$0.7225 (for 2015), C\$1.00 = US\$0.7448 (for 2016) and C\$1.00 = US\$0.7971 (for 2017), respectively. This methodology is consistent with the Company's financial statements.

## PENSION PLAN BENEFITS

The Company and its subsidiaries do not have a pension plan that provides for payments or benefits to the Named Executive Officers at, following, or in connection with retirement. The Company and its subsidiaries have no defined benefit or actuarial plans.

## TERMINATION OF EMPLOYMENT, CHANGE IN RESPONSIBILITIES AND EMPLOYMENT CONTRACTS

### **Change of Control Payouts are Based Upon Double Trigger**

Other than as set forth below, the Company and its subsidiaries have no contract, agreement, plan or arrangement that provides for payments to a Named Executive Officer following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change of control of the Company or its subsidiaries or a change in responsibilities of the NEO following a change of control.

The Company has entered into an employment agreement with each of the Named Executive Officers. The following is a summary only and is qualified in its entirety by reference to the terms and conditions of the respective executive employment agreements and the applicable terms and conditions of the Stock Option Plan and the Restricted Share Plan.

► *For the purposes of this section of the Circular:*

- 1 **“Change of Control”** means: (a) a consolidation, reorganization, amalgamation, merger, acquisition or other business combination (or a plan of arrangement in connection with any of the foregoing), other than solely involving the Company and any one or more of its affiliates, with respect to which all or substantially all of the persons who were the beneficial owners of the Shares and other securities of the Company immediately prior to such consolidation, reorganization, amalgamation, merger, acquisition, business combination or plan of arrangement do not, following the completion of such consolidation, reorganization, amalgamation, merger, acquisition, business combination or plan of arrangement, beneficially own, directly or indirectly, more than 50% of the resulting voting rights (on a fully-diluted basis) of the Company or its successor; (b) the sale, exchange or other disposition to a person other than an affiliate of the Company of all, or substantially all, of the Company's assets; (c) a resolution is adopted to wind-up, dissolve or liquidate the Company; (d) a change in the composition of the Board, which occurs at a single meeting of Shareholders or upon the execution of a Shareholders' resolution, such that individuals who are members of the Board immediately prior to such meeting or resolution cease to constitute a majority of the Board, without the Board, as constituted immediately prior to such meeting or resolution, having approved of such change; or (e) any person, entity or group of persons or entities acting jointly or in concert (an "**Acquiror**") acquires or acquires control (including, without limitation, the right to vote or direct the voting) of Voting Securities of the Company which, when added to the Voting Securities owned of record or beneficially by the Acquiror or which the Acquiror has the right to vote or in respect of which the Acquiror has the right to direct the voting, would entitle the Acquiror and/or associates and/or affiliates of the Acquiror to cast or to direct the casting of 20% or more of the votes attached to all of the Company's outstanding

Voting Securities which may be cast to elect directors of the Company or the successor corporation (regardless of whether a meeting has been called to elect Directors); and

- 2** “**Event of Termination**” includes: (a) the NEO's employment with the Company is terminated by the Company without cause; (b) an adverse change by the Company in the NEO's position, duties, responsibilities, title or office from those which were in effect immediately prior to the Change of Control, including the NEO no longer holding that office of the ultimate parent company following the Change of Control; (c) the good faith determination by the NEO that, as a result of the Change in Control or any action or event thereafter, the NEO's status or responsibility within the Company has been diminished or that the NEO is effectively being prevented from carrying out his duties and responsibilities as they existed immediately prior to the Change of Control; (d) a decrease in the NEO's base salary or a material decrease in the NEO's incentive bonus, benefits, stock based compensation, vacation or other compensation; (e) a relocation of the NEO's principal place of employment or the Company's head office to outside the Greater Vancouver Regional District (but Toronto, in the case of Mr. Spencer); (f) the Company taking any action to deprive the NEO of any material fringe benefit not mentioned above and enjoyed by him immediately prior to the Change in Control, or the Company failing to increase or improve such material fringe benefit on a basis consistent with increases or improvements granted generally to the Company's other senior executives; (g) any material breach by the Company of any provision of this Agreement; or (h) any action or event that would constitute a constructive dismissal of the NEO at common law.

The Named Executive Officers have “**double trigger**” Change of Control provisions in their applicable employment agreements, meaning that, if a Change of Control and an Event of Termination occurs within the 12-month period immediately following the Change of Control, then certain payments must be made by the Company to the affected NEO and all their equity-based compensation will fully vest.

► **Agreements with Nolan Watson (President and CEO), David Awram (Senior Executive Vice-President), Erfan Kazemi (CFO) and Adam Spencer (Senior Vice-President, Corporate Development)**

The Company has entered into employment agreements with each of Nolan Watson, David Awram, Erfan Kazemi and Adam Spencer (the “**Watson Agreement**”, the “**Awram Agreement**”, the “**Kazemi Agreement**”, the “**Spencer Agreement**” or, collectively, the “**Agreements**” in this section, as the case may be). Each Agreement provides for a base salary (the “**Base Salary**”) to each of the executives. In addition, the executives are eligible to participate in such incentive bonus plans as may be implemented by the Company from time to time for its senior executives and the Company will, in its discretion, consider bonuses at least annually.

Upon termination of the Watson Agreement, or the Awram Agreement, or the Kazemi Agreement, or the Spencer Agreement by the Company without cause, the Company shall be obliged to provide the terminated executive with six (6) months written notice of termination (the “**Required Notice Period**”) and to pay the terminated executive an amount equal to two years of the terminated executive's Base Salary at that time plus an amount equal to two times the average bonus percentage granted to the terminated executive for the two most recent annual bonuses approved by the Board, multiplied by the terminated executive's current Base Salary immediately prior to termination. In addition, following such termination, all other benefits (i.e. health, accident and life insurance) (the “**Benefits**”) will continue for a period of two years from the date of termination, or, if such is not possible, the Company shall pay to the terminated executive an amount sufficient to enable him to procure comparable Benefits on a private basis for such term. Also, any equity or equity-based compensation received by the terminated executive and held by him at such time shall fully vest, if not already vested, and shall be exercisable by him following such termination or election, as the case may be, in accordance with their terms.

Upon termination of the Watson Agreement, or the Awram Agreement, or the Kazemi Agreement or the Spencer Agreement by the Company for cause, no notice, salary, compensation, Benefits, allowances or pay in lieu of notice shall be paid or payable to the terminated executive after or as a result of such termination other than the Base Salary and Benefits to the effective date of such termination and any equity or equity based compensation previously received by the terminated executive and held by him at such time shall immediately terminate and shall no longer be exercisable effective as of the date that the terminated executive's employment is terminated for cause.

In the event that, within the twelve month period immediately following a Change of Control, any Event of Termination occurs, without the affected executive's written consent, which Event of Termination is not rectified by the Company within thirty days of the occurrence, the Company will be required to pay to the terminated executive a pro-rated amount equal to the terminated executive's Base Salary for the Required Notice Period plus two times his Base Salary at that time and any bonus owing to the terminated executive immediately prior to such Change of Control or Event of Termination shall be paid plus an amount equal to two times the average bonus percentage granted to the terminated executive for the two most recent annual bonuses approved by the Board, multiplied by the terminated executive's current Base Salary in effect immediately prior to the Event of Termination, plus a pro-rated bonus up to the Event of Termination which shall be based upon the average bonus percentage granted to the terminated executive for the two most recent annual bonuses approved by the Board for the terminated executive. In addition, the terminated executive's Benefits will continue for a period of two years following the Event of Termination, or, if such is not possible, the Company shall pay to the applicable terminated executive an amount sufficient to enable him to procure comparable Benefits on a private basis for such term. All equity or equity-based compensation received by the terminated executive and held by him immediately prior to such Change of Control and Event of Termination shall fully vest, if not already vested, and shall be exercisable by the terminated executive following such Change of Control and Event of Termination in accordance with their terms.

► ***Agreement with Tom Bruington (Executive Vice-President, Project Evaluation)***

The Company has entered into an employment agreement with Tom Bruington (the "**Bruington Agreement**"). The Bruington Agreement provides the executive with a guaranteed dollar amount with respect to the value of his total annual compensation package, which is comprised of a Base Salary and a guaranteed value with respect to Restricted Share Rights to be granted annually to the executive. In the event of a Change of Control where the executive is not provided with employment under substantially the same compensation terms after such Change of Control and should the executive choose to leave after such Change of Control and change of compensation terms, the Company shall pay the executive an amount equal to two times his Base Salary at that time. All equity or equity-based compensation received by the executive and held by him immediately prior to termination or election upon a Change of Control shall fully vest, if not already vested, and shall be exercisable by the executive following such termination or election, as the case may be, in accordance with their terms.

► **Estimated Incremental Payments on Change of Control**

The following table provides details regarding the estimated incremental payments from the Company to each of the NEOs upon termination by the Company on a Change of Control and Event of Termination, assuming that the triggering event occurred on December 31, 2017:

David Awram	\$838,289
Erfan Kazemi	\$711,321
Tom Bruington	\$805,071
Adam Spencer	\$656,688

(1) Salaries, bonuses and Benefits for the NEOs are paid in Canadian dollars and converted to United States dollars for reporting purposes in the table above at the exchange rate of C\$1.00 = US\$0.7971, being the noon exchange rate for Canadian Dollars in terms of the United States dollar, as quoted by the BofC on December 29, 2017 (which was the last trading and business day of the year).

(2) Amounts in this column include accrued vacation allowance as of December 31, 2017.

(3) This represents the entitlement the NEO would have received if a Change of Control or other applicable triggering event had occurred on December 31, 2017.

The accelerated value of the aforementioned NEO's existing Stock Options/Restricted Share Rights as of December 31, 2017 is detailed under "*Incentive Plan Awards — Outstanding Share-Based Awards and Option-Based Awards*" in this Circular.

## Director Compensation

The following table sets forth all amounts of compensation provided to the Directors, who are each not also a Named Executive Officer, for the Company's most recently completed financial year (December 31, 2017):

Director	Fees Earned <sup>(1)</sup>	Share-Based Awards <sup>(1) (2)</sup>	Option-Based Awards	Non-Equity Incentive Plan Compensation	Pension Value	All Other Compensation	Total <sup>(2)</sup>
David E. De Witt	NIL	\$149,058	NIL	NIL	NIL	NIL	\$149,058

Mary L. Little	NIL	\$149,058	NIL	NIL	NIL	NIL	\$149,058

(1) In 2017, the independent Directors of the Company requested that they be permitted to receive their cash based annual retainer in Restricted Share Rights. Accordingly, upon approval by the Compensation Committee and the Board, the Company awarded 34,000 Restricted Share

- Rights to each of the independent Directors, calculated by dividing the amount of the cash based annual retainer of C\$187,000 by the closing price of the Shares on the TSX on the December 5, 2017 award date (C\$5.50).
- (2) Canadian dollar values have been converted to United States Dollars for reporting purposes in the table above at the noon exchange rate on December 29, 2017 (which was the last trading and business day of the year) as quoted by the BofC of C\$1.00 = US\$0.7971.

Historically, the Board has met annually to review the adequacy and form of its Directors' compensation. In 2015, both the Compensation Committee and the Corporate Governance & Nominating Committee were formed by the Board and those two committees, in conjunction with the full Board, determined to implement changes to each of the Stock Option Plan and Restricted Share Plan in order to conform with current corporate governance best practices. As a result, a restriction has been added to each of the Stock Option Plan and the Restricted Share Plan which caps the combined maximum equity value which may be granted by the Company to each independent Director (i.e. a **"Non-Employee Director"**) of the Company at \$150,000 in any fiscal year, of which not more than \$100,000 may be in the form of Stock Options granted under the Stock Option Plan. Furthermore, although grants of Stock Options have traditionally been utilized by the Company since 2009 as equity-based compensation for its Directors, in 2015 it was determined by the Compensation Committee in conjunction with the full Board that, going forward and if applicable, Restricted Share Rights would be awarded to the independent Directors rather than the grant of Stock Options.

The Company has implemented a Stock Ownership Guidelines Policy which aligns the interests of its independent Directors with the Company's Shareholders by requiring that independent members of the Board own a minimum number of Shares. Each independent Director must hold Shares with a value equal to three times their annual retainer amount. The applicable guideline level of Share ownership is expected to be satisfied by each of the current independent Directors within five years of first becoming subject to the guidelines (i.e. by March 30, 2021). Please refer to "Stock Ownership Guidelines Policy" under "CORPORATE GOVERNANCE" in this Circular for additional details concerning the Stock Ownership Guidelines Policy.

Other than as discussed above, the Company has no arrangements, standard or otherwise, pursuant to which independent Directors are compensated by the Company or its subsidiaries for their services in their capacity as Directors, or for committee participation, involvement in special assignments or for services as a consultant or expert during the most recently completed financial year or subsequently, up to and including the date of this Circular. The Company does, however, reimburse the independent Directors for all reasonable out-of-pocket costs incurred by them in connection with their services to the Company.

# Stock Option Plan

## OVERVIEW

The Company last received Shareholder approval to the Stock Option Plan at the Company's Shareholder meeting held in 2016, following which the TSX granted their final approval to the Stock Option Plan. No amendments have been made to the Stock Option Plan since the 2016 Shareholder meeting.

## PURPOSE AND STOCK OPTION PLAN LIMITS

The purpose of the Stock Option Plan is to allow the Company to grant Stock Options to eligible persons (i.e. Directors, senior officers, Employees, Management Company Employees and Consultants, each as defined in the Stock Option Plan), as additional compensation, and as an opportunity to participate in the success of the Company. The granting of such Stock Options is intended to align the interests of such persons with that of the Shareholders. Stock Options are exercisable over periods of up to five years as determined by the Board and are required to have an exercise price of not less than the closing market price of the Shares on the TSX on the day that the Stock Options are granted.

The maximum number of Shares which may be issuable under the Stock Option Plan together with all of the Company's other previously established or proposed share compensation arrangements is set at **8.5%** of the issued and outstanding Shares on the grant date (on a non-diluted basis).

The maximum aggregate number of Shares: (a) which may be reserved for issuance to any one eligible person under the Stock Option Plan together with all of the Company's other previously established or proposed share compensation arrangements shall not exceed 5% of the issued and outstanding Shares on the grant date (on a non-diluted basis); (b) which may be issuable to Insiders under the existing Stock Option Plan together with all of the Company's other previously established or proposed share compensation arrangements shall not exceed **8.5%** of the Shares issued and outstanding on the grant date (on a non-diluted basis); and (c) which may be issued to Insiders under the Stock Option Plan together with all of the Company's other previously established or proposed share compensation arrangements within a twelve month period shall not exceed **8.5%** of the issued and outstanding Shares at the time of issuance (on a non-diluted basis).

**Stock Options granted under the Stock Option Plan vest over a three year period from the grant date.**

The Stock Option Plan contains formal vesting requirements, which require vesting over a three-year period from the grant date with the first one-third vesting on the first anniversary of the date of grant.

Pursuant to section 6.11 of the Stock Option Plan, Stock Options granted under the Stock Option Plan continue to be not transferable or assignable (except to permitted assigns as defined therein). Vested Stock Options will cease to be exercisable upon the earlier of the expiry date of such Stock Options and: (i) 90 days following the termination date of an optionee's employment or retirement; and (ii) 365 days following the date of death or disability (as defined therein) of an optionee. If an optionee is terminated for cause, any outstanding Stock Options held by such optionee on the date of such termination, whether vested or not, will be cancelled as of that date.

Subject to certain limitations, the Board may, at any time and from time to time, and without Shareholder approval, amend any provisions of the Stock Option Plan, or any Stock Options granted thereunder, or terminate the Stock Option Plan, subject to any applicable regulatory or TSX requirements or approvals at the time of such amendment or termination, including, without limitation, making amendments:

- i to sections relating to the mechanics of exercise of Stock Options;*
- ii deemed by the Board to be necessary or advisable because of any change in applicable securities or other laws;*
- iii to the definitions set out in the Stock Option Plan;*
- iv to the change of control provisions - for greater certainty, any change made to the change of control provisions shall not allow optionees to be treated any more favourably than other holders of Shares with respect to the consideration that the optionees would be entitled to receive for their Shares upon a change of control;*
- v relating to the administration of the Stock Option Plan;*
- vi to the vesting provisions of any outstanding Stock Options as contemplated by the Stock Option Plan; and*
- vii fundamental or otherwise, not requiring Shareholder approval under applicable laws or the rules of the TSX, including amendments of a "clerical" or "housekeeping" nature and amendments to ensure that the Stock Options granted under the Stock Option Plan will comply with any provisions respecting income tax and other laws in force in any country or jurisdiction of which an optionee may from time to time be resident or a citizen.*

Notwithstanding the provisions above, the Board is **not permitted** to make amendments:

- i in order to increase the maximum number of Shares which may be issued under the Stock Option Plan or in order to increase the insider participation limits;*
- ii which reduce the exercise price of any Stock Option after the Stock Options have been granted or any cancellation or termination of a Stock Option prior to its expiry for the purpose of re-issuing Stock Options to the same optionee with a reduced exercise price (except pursuant to the adjustment provisions contained within the Stock Option Plan);*
- iii which increase the Non-Employee Director Participation Limits;*
- iv which extend the expiry date of any Stock Option beyond the original expiry date, except in the case of an extension due to a Blackout Period (as defined in the Stock Option Plan);*
- v which would permit a Stock Option granted under the Stock Option Plan to be transferable or assignable by any optionee other than as currently permitted under the Stock Option Plan; or*
- vi to increase the ability of the Board to amend the Stock Option Plan without Shareholder approval;*

**in each case without first having obtained the approval of a majority of the holders of the Shares voting at a duly called and held meeting of holders of Shares** and, in the case of an amendment to increase the insider participation limits, approval of a majority of the holders of the Shares voting at a duly called and held meeting of the holders of Shares excluding Shares voted by insiders who are eligible persons under the Stock Option Plan.

## The Stock Option Plan contains the following important provisions:

- (a) the vesting upon a Change of Control contains a **double trigger** provision;
- (b) the Company is prohibited from making any amendment which reduces the exercise price of a Stock Option after the Stock Option has been granted or any cancellation or termination of a Stock Option prior to its expiry for the purpose of re-issuing Stock Options to the same optionee with a reduced exercise price;
- (c) the Company is prohibited from engaging in a Stock Option buy-out program pursuant to which out-of-the-money Stock Options held by optionees are purchased by the Company for cash;
- (d) the Company is prohibited from providing financial assistance in the form of a loan or otherwise to optionees for the exercise of their Stock Options;
- (e) the maximum equity value which may be granted by the Company to each Non-Employee Director under the Stock Option Plan, together with all of the Company's other previously established or proposed share compensation arrangements, may not exceed \$150,000 in any fiscal year, of which not more than \$100,000 may be in the form of Stock Options granted under the Stock Option Plan (the "**Non-Employee Director Participation Limits**"); provided however that the Non-Employee Director Participation Limits do not apply where the Company is making an initial grant to a new Non-Employee Director upon that person joining the Board;
- (f) clawback provisions; and
- (g) stock ownership guidelines provisions.

The Stock Option Plan permits the expiry date of Stock Options granted thereunder to be the tenth trading day following the end of a self-imposed Blackout Period on trading securities of the Company in the event that such Stock Options would otherwise expire during or within five trading days of such Blackout Period.

No extension of the term of any Stock Option or acceleration of the vesting terms of any Stock Option were approved by the Board during the year ended December 31, 2017 or as of the date of this Circular. Furthermore, the Board has never re-priced any of the Stock Options which it has granted under the Stock Option Plan.

As at December 31, 2017, the Company had an aggregate of **7,726,317** Stock Options outstanding, (which represented approximately **4.2%** of the Company's issued and outstanding Shares), leaving **4,001,950** Shares available for the future grant of Stock Options as at that date (which represented **2.2%** of the Company's issued and outstanding Shares, on a non-diluted basis).

As at the date of this Circular, the Company has **184,211,541** issued and outstanding Shares, meaning that the number of Stock Options currently available for grant under the Stock Option Plan, together with any Restricted Share Rights granted under the Company's Restricted Share Plan (see below in this Circular under "Restricted Share Plan") would be **8.5%** of that number (on a rolling basis) or **15,657,980** Shares. The Company has set aside a maximum of **3,800,000** Shares for Restricted Share Rights under its Restricted Share Plan (of which **2,778,247** Restricted Share Rights have been awarded to date, **850,035** Shares have been issued on vesting and **30,000** were cancelled). The Company has an aggregate of **6,865,349** Stock Options currently outstanding, representing approximately **3.7%** of the Company's current issued and outstanding Shares, on a non-diluted basis, leaving **4,992,631** Shares currently available for the future grant of Stock Options (representing **2.7%** of the Company's current issued and outstanding Shares, on a non-diluted basis).

The following table sets out the burn rate of the Stock Option Plan for the three most recently completed financial years:

Year	Stock Options Granted	Weighted Average Securities (i.e. Shares) Outstanding	Burn Rate
2017	795,000	167,265,059	0.5%
2016	1,336,000	144,159,678	0.9%
2015	1,284,000	119,622,450	1.1%

## Restricted Share Plan

### OVERVIEW

The Company last received Shareholder approval to the Restricted Share Plan at the Company's Shareholder meeting held in 2016, following which the TSX granted their final approval to the Restricted Share Plan. No amendments have been made to the Restricted Share Plan since the 2016 Shareholder meeting.

## PURPOSE AND RESTRICTED SHARE PLAN LIMITS

The Restricted Share Plan provides that Restricted Share Rights may be granted by the Board or a committee thereof which administers the Restricted Share Plan to employees, officers, Directors, management company employees and consultants of the Company as a discretionary payment in consideration of past services to the Company. The maximum aggregate number of Shares: (a) which may be reserved for issuance to any one eligible person (“**Participant**”) under the Restricted Share Plan together with all of the Company’s other previously established or proposed share compensation arrangements shall not exceed 5% of the issued and outstanding Shares on the grant date (on a non-diluted basis); (b) which may be issuable to Insiders under the Restricted Share Plan together with all of the Company’s other previously established or proposed share compensation arrangements shall not exceed **8.5%** of the Shares issued and outstanding on the grant date (on a non-diluted basis); and (c) which may be issued to Insiders under the Restricted Share Plan together with all of the Company’s other previously established or proposed share compensation arrangements within a twelve month period shall not exceed **8.5%** of the issued and outstanding Shares at the time of issuance (on a non-diluted basis).

Each Restricted Share Right entitles the holder thereof to receive one fully paid Share without payment of additional consideration on the later of: (i) the end of a restricted period of time wherein a Restricted Share Right cannot be exercised as determined by the Board (“**Restricted Period**”); and (ii) a date determined by an eligible Participant that is after the Restricted Period and before a Participant’s retirement date or termination date (a “**Deferred Payment Date**”). Restricted Share Rights under the Restricted Share Plan will vest over a three-year period from the date of grant (i.e. one-third per year, beginning on the first anniversary of the grant date, unless deferred in accordance with the deferral provisions).

**Restricted Share Rights granted under the Restricted Share Plan vest over a three year period from the grant date**

Under the Restricted Share Plan, the Board may from time to time amend or revise the terms of the Restricted Share Plan or may discontinue the Restricted Share Plan at any time. Subject to receipt of requisite Shareholder and regulatory approval, the Board may make amendments to the Restricted Share Plan to: (a) materially increase the benefits under the Restricted Share Plan; (b) increase the maximum number of Shares issuable under the Restricted Share Plan; and (c) make any amendment which increases the Non-Employee Director Participation Limited under the Restricted Share Plan; (d) materially modify the requirements as to eligibility for participation in the Restricted Share Plan; or (e) make any amendment to the amendment provisions in the Restricted Share Plan so as to increase the ability of the Board to amend it without shareholder approval. All other amendments to the Restricted Share Plan may be made by the Board without obtaining Shareholder approval. Except as

otherwise may be expressly provided for under the Restricted Share Plan or pursuant to a will or by the laws of descent and distribution, no Restricted Share Right and no other right or interest of a Participant is assignable or transferable. Canadian Participants seeking, for tax reasons, to set a Deferred Payment Date (as defined in the Restricted Share Plan) must give the Company written notice prior to the expiration of the Restricted Period in order to effect such a change. Participants electing to change a Deferred Payment Date must give the Company written notice 30 days prior to the Deferred Payment Date. In the event of a Participant's retirement or termination during a Restricted Period, any Restricted Share Rights held by the Participant will automatically immediately terminate, unless otherwise determined by the Board. In the event of the retirement or termination of a Participant after a Restricted Period and, if applicable, prior to any Deferred Payment Date, the Company will forthwith issue the Restricted Shares (as defined in the Restricted Share Plan) in accordance with the Restricted Share Rights held by the Participant and any dividends declared but unpaid to the Participant. In the event of death or total disability of a Participant, the Company will forthwith issue the Restricted Shares in accordance with the Restricted Share Rights held by the Participant.

If a Participant holds Restricted Share Rights that are subject to a Restricted Period, the Board will have the discretion to pay a Participant cash equal to any cash dividends declared on the Shares at the time such dividends are ordinarily paid to holders of Shares. The Company will pay such cash dividends, if any, to those Participants that hold Restricted Share Rights that are no longer subject to a Restricted Period and are exercisable at a Deferred Payment Date.

## The Restricted Share Plan contains the following important provisions:

- (a) vesting upon a Change of Control contains a double trigger provision;
- (b) the Company is prohibited from providing financial assistance in the form of a loan or otherwise to Participants under the Restricted Share Plan for the purpose of settlement of equity awards under the Restricted Share Plan;
- (c) the maximum equity value which may be granted by the Company to each Non-Employee Director under the Restricted Share Plan, together with all of the Company's other previously established or proposed share compensation arrangements, may not exceed \$150,000 in any fiscal year, which may only be granted in lieu of their cash based annual retainers (the "**Non-Employee Director Participation Limits**"); provided however that the Non-Employee Director Participation Limits do not apply where the Company is making an initial grant to a new Non-Employee Director upon that person joining the Board;
- (d) clawback provisions;
- (e) stock ownership guidelines provisions;
- (f) no amendment may be made to the Restricted Share Plan which increases the Non-Employee Director Participation Limit without Shareholder approval; and
- (g) no amendment may be made to the amendment provisions as to increase the ability of the Board to amend the Restricted Share Plan without Shareholder approval, without first obtaining Shareholder approval to that amendment.

The maximum number of Shares which may be made subject to (a) Restricted Share Rights under the Restricted Share Plan, and (b) Stock Options under the Company's current form of Stock Option Plan, together with all of the Company's other previously established or proposed share compensation arrangements, may currently not exceed **8.5%** (on a rolling basis) of the Company's issued and outstanding Shares from time to time (on a non-diluted basis).

The aggregate maximum number of Shares which may currently be reserved for issuance from treasury pursuant to the Restricted Share Plan is **3,800,000**, representing approximately **2.1%** of the Company's issued and outstanding Shares as at December 31, 2017 and **2.1%** of the Company's current issued and outstanding Shares as at the date of this Circular.

As at December 31, 2017, Restricted Share Rights were outstanding under the Restricted Share Plan entitling holders to acquire an aggregate of **2,222,624** Shares (which represented approximately **1.2%** of the issued and outstanding Shares), leaving **1,023,753** Restricted Share Rights available for the future award of Restricted Share Rights as at that date (which represented **0.6%** of the Company's issued and outstanding, on a non-diluted basis).

To the date of this Circular, an aggregate of **2,778,247** Restricted Share Rights have been awarded by the Company pursuant to which **850,035** Shares have been issued to date upon vesting of Restricted Share Rights at the end of applicable Restricted Periods and **30,000** Restricted Share Rights terminated without having vested (making them available for re-grant under the Restricted Share Plan), leaving a balance outstanding under the Restricted Share Plan of **1,898,212** Restricted Share Rights (representing approximately **1.0%** of the Company's current issued and outstanding Shares). This means that the Company has Restricted Share Rights currently outstanding entitling holders to acquire an aggregate of 1,898,212 Shares (representing approximately **1.0%** of the Company's current issued and outstanding Shares, on a non-diluted basis, leaving **1,051,753** Restricted Share Rights currently available for future award under the Restricted Share Plan (representing approximately **0.6%** of the current issued and outstanding Shares, on a non-diluted basis).

The following table sets out the burn rate of the Restricted Share Plan for the three most recently completed financial years:

Year	Restricted Share Rights Granted	Weighted Average Securities (i.e. Shares) Outstanding	Burn Rate
2017	597,200	167,265,059	0.4%
2016	628,000	144,159,678	0.4%
2015	895,480	119,622,450	0.7%

# Corporate Governance

## Corporate Governance Overview

In June 2005, National Policy 58-201 *Corporate Governance Guidelines* (the “**Governance Guidelines**”) and National Instrument 58-101 *Disclosure of Corporate Governance Practices* (the “**Governance Disclosure Rule**”) were adopted by the securities regulatory authorities in Canada. The Governance Guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of Board members and other items dealing with sound corporate governance practices. The Governance Disclosure Rule requires that, if management of an issuer solicits proxies from its security holders for the purpose of electing Directors, specified disclosure of its corporate governance practices must be included in its management information circular.

The Company and the Board recognize the importance of corporate governance to the effective management of the Company and to the protection of its employees and Shareholders. The Company’s approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Company are effectively managed so as to enhance Shareholder value. The Board fulfills its responsibilities directly and through the Audit Committee at regularly scheduled meetings or as required. The Board meets at least once every quarter to review the Company’s business operations, corporate governance matters, financial results and other items. The frequency of meetings may be increased, and the nature of the agenda items may be changed, depending upon the state of the Company’s affairs and in light of opportunities or risks which the Company faces. The Directors are kept informed of the Company’s operations at these meetings as well as through reports and discussions with management on matters within their particular areas of expertise.

The Company’s corporate governance practices have been and continue to be in compliance with applicable Canadian and United States requirements. The Company continues to monitor developments in Canada and the United States with a view to further revising its governance policies and practices, as appropriate.

As a foreign private issuer, the Company is not required to meet all the corporate governance listing standards of the NYSE American. However, the Company’s practices meet most of the NYSE American corporate governance listing standards. You can find details about how our practices differ from the NYSE American standards on our website at [www.sandstormgold.com](http://www.sandstormgold.com) and in our most recent Form 40-F and filings on [www.sec.gov](http://www.sec.gov).

## **Corporate Governance Initiatives Implemented in 2016 and 2017 in Order to Reflect Current Best Practices:**

## **Board of Directors**

### **ROLE OF THE BOARD**

The duties and responsibilities of the Board are to supervise the management of the business and affairs of the Company and to act with a view towards the best interests of the Company. The Board is responsible for the oversight and review of the development of, among other things, the following matters:

- the strategic planning process of the Company;
- an annual strategic plan for the Company which takes into consideration, among other things, the risks and opportunities of the Company's business;

- identifying the principal risks of the Company's business and ensuring the implementation of appropriate systems to manage these risks;
- annual capital and operating budgets which support the Company's ability to meet its strategic objectives;
- material acquisitions and divestitures;
- succession planning, including appointing, training and monitoring the development of senior management;
- a communications policy for the Company to facilitate communications with investors and other interested parties;
- a reporting system which accurately measures the Company's performance against its business plan; and
- the integrity of the Company's internal control and management information systems.

The operations of the Company do not support a large Board and the Board has determined that, with the proposed election of new Nominee, Vera Kobalia, the current constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent Directors are able to meet at any time without any members of management, including the non-independent Directors, being present. Further supervision is performed through the Audit Committee, Compensation Committee and the Corporate Governance & Nominating Committee.

#### **INDEPENDENCE OF THE BOARD**

The Board has considered the relationships of each of the Directors to the Company and determined that four of the six members of the current Board, all of whom are Nominees, qualify as independent Directors. The Board reviews independence in light of the requirements of the Governance Guidelines, the Governance Disclosure Rule and the NYSE American rules. None of the independent Directors has a material relationship with the Company which could impact their ability to make independent decisions.

David E. De Witt, Andrew T. Swarthout, John P.A. Budreski and Mary L. Little are independent. Nolan Watson is not independent as he is the President and CEO of the Company. David Awram is not independent as he is the Senior Executive Vice-President of the Company. If new Nominee, Vera Kobalia, is elected as a Director at the Meeting, she will be considered independent. Kindly refer to the below independence chart:

## Independence Chart

Director/Nominee	Independent	Reason, if not Independent
Nolan Watson	X	President and CEO
David Awram	X	Senior Executive Vice-President
David E. De Witt	✓	
Andrew T. Swarthout	✓	
John P.A. Budreski	✓	
Mary L. Little	✓	

During the year ended December 31, 2017, the independent Directors held a formal in camera session twice, during which sessions non-independent Directors/members of management were excused. The Board may excuse members of management and conflicted Directors from all or a portion of any meeting where a conflict or potential conflict of interest arises or where otherwise deemed appropriate.

### POSITION DESCRIPTIONS

The Board has developed a written *Role Statement for Non-Executive Chairman of the Board of Directors* and a *Role Statement for Chief Executive Officer*. The Board has not developed a position description for the Chairman of each of the Audit Committee, the Corporate Governance & Nominating Committee or the Compensation Committee. However, the Board has developed a *Terms of Reference* for the Corporate Governance & Nominating Committee and a *Terms of Reference* for the Compensation Committee. The Audit Committee has a Charter. The Chair of each committee is responsible for ensuring that his/her committee fulfills its responsibilities and duties under its respective Charter/Terms of Reference, as the case may be. Each of these terms of reference and the Audit Committee Charter may be accessed on the Company's website at [www.sandstormgold.com](http://www.sandstormgold.com).

## PARTICIPATION OF DIRECTORS IN OTHER REPORTING ISSUERS

The participation of the Directors in other reporting issuers is described in each Director profile provided under "PARTICULARS OF MATTERS TO BE ACTED UPON - Election of Directors" in this Circular. The Corporate Governance & Nominating Committee has reviewed and assessed the number of outside directorships and executive positions held by the Company's Directors and has considered whether each Director in question will be reasonably able to meet his/her duties in light of the responsibilities associated with fulfilling his/her duties as a Director of the Company as well as whether conflicts of interest will arise on as a result of any outside directorships or outside executive positions. Having regard to their qualifications, attendance record and valuable contribution as members of the Company's Board/committees, the Corporate Governance & Nominating Committee has determined that none of the proposed Nominees for Director are over boarded as a result of their outside directorships. In particular, they have determined that Mr. Budreski's outside directorships and executive officer positions have not in the past, nor are they expected in the future, to interfere with or impede his ability to discharge his duties and responsibilities as a Director of the Company.

## SEPARATION OF CHAIRMAN AND CEO ROLES AND RELATED POSITION DESCRIPTIONS

The Board appointed Mr. De Witt, an independent member of the Board, as the *Lead Independent Director* of the Company in January of 2013 when Mr. Watson was appointed as *Chairman of the Board*. In accordance with the Company's commitment to corporate governance best practices, effective March 30, 2016, the Board separated the roles of Chairman and CEO and removed Mr. De Witt as *Lead Independent Director* and appointed him as *Non-Executive Chairman of the Board*. Mr. Watson retains the roles of President and CEO.

### ► **Role of the CEO**

The CEO has overall responsibility for providing leadership and vision to develop business plans that meet the Company's corporate objectives and day-to-day management of the operations of the Company. The CEO is tasked with ensuring that the Company is effectively carrying out the strategic plan approved by the Board, developing and monitoring key business risks and ensuring that the Company has appropriate policies and procedures in place to ensure the accuracy, completeness, integrity and appropriate disclosure of the financial statements and other financial information of the Company and, together with the CFO, he is responsible for establishing and maintaining appropriate internal controls over financial reporting, disclosure controls and procedures and, as required, processes for the certification of public disclosure documents. The CEO is the Company's principal spokesperson to the media, investors and the public.

### ► **Role of the Non-Executive Chairman of the Board**

Mr. De Witt's primary roles are to chair all meetings of the Board and Shareholders and to manage the affairs of the Board, including ensuring that the Board is organized properly, functions effectively and meets its obligations and responsibilities. These responsibilities include setting the meeting agendas, ensuring that the Board works together as a cohesive team with open communication and assisting the Board, the committees of the Board, individual Directors and the Company's senior officers in understanding and discharging their obligations under the Company's system of corporate governance.

## **ORIENTATION AND CONTINUING EDUCATION**

As the Company has only had one Director appointed to the Board since 2010 who was new to the Company, the Company does not have formal orientation and training programs in place for its new Directors and, instead, has adopted a tailored approach depending on the particular needs and focus of the Director being appointed. New Board members are provided with:

- 1** information respecting the functioning of the Board, committees and copies of the Company's corporate governance policies;
- 2** documents from recent Board meetings;
- 3** access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information;
- 4** access to management and technical experts and consultants; and
- 5** a summary of significant corporate and securities responsibilities.

In addition, the Company has a program where Directors and management are provided with, review and discuss, developments in corporate governance, accounting practices, financing and the resource industry in general.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Directors are expected to attend all scheduled Board and committee meetings in person, although attendance by telephone is permissible. Directors are also expected to prepare thoroughly in advance of each meeting, and to stay for the entire meeting, in order to actively participate in the Board's deliberations and decisions. If there are unforeseen circumstances and a Director is unable to attend a meeting, he is expected to contact the Chairman, the CEO or the Corporate Secretary of the Company as soon as possible after the meeting for a briefing on the substantive elements of the meeting.

## **EXPECTATIONS OF MANAGEMENT**

The Board expects management to operate the business of the Company in a manner that enhances Shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

## **NOMINATION OF DIRECTORS**

The Company does not have a stand-alone nomination committee. The Corporate Governance & Nominating Committee has responsibility for leading the process for identifying and recruiting potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining industry are consulted for possible candidates.

The Corporate Governance & Nominating Committee has developed a skills matrix comprised of the skills and competencies it expects the Board as a whole to possess and has identified which of those skills and competencies are possessed by the Company's existing Directors. The skills and competencies are as follows: experience with respect to the mining industry, mergers and acquisitions, accounting and finance, risk management, legal matters, human resources and compensation matters, corporate governance, public company boards and public company management. Set out below are the skills identified for each Director.

## ASSESSMENTS

In early 2017, the Chairperson of the Corporate Governance & Nominating Committee, in conjunction with management and the Company's Corporate Secretary, reviewed and considered updates published in November 2016 by ISS (as hereinafter defined in this Circular) to its Governance QualityScore program (formerly known as QuickScore) for the 2017 proxy season. As a result of this review, the Company developed and implemented a Board Self-Assessment Questionnaire ("**Board Questionnaire**") for 2017 which was sent to the Board members for completion and return, following which the Chairperson of the Corporate Governance & Nominating Committee reported the results to the full Board at a meeting held in February 2017. It was established that the Board Questionnaire would be reviewed and updated by the Corporate Governance & Nominating Committee and circulated to the Board for completion and return on an annual basis. Accordingly, the Board Questionnaire was sent to the Board members again in 2018, following which the Chairperson of the Corporate Governance & Nominating Committee reported the results to the full Board at a meeting held in February 2018. Prior to 2017, the Board conducted informal annual assessments of its effectiveness, along with the effectiveness of the individual Directors and its three committees. To assist in its review, the Board conducted informal surveys of its Directors and received informal reports from the Company's three committees respecting their own effectiveness. As part of these past and current assessments, the Board and/or the three committees, as applicable, reviewed their respective charters/terms of reference and, where necessary, conducted reviews of applicable corporate policies.

## **Ethical Business Conduct**

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to Shareholders. The Board has adopted a *Code of Business Conduct and Ethics* (the "**Code**") and has instructed its management and employees to abide by the Code. The Board intends that it will review compliance with the Code on an annual basis until the Company has grown to a size which warrants more frequent monitoring. The Code was last updated by the Board on June 20, 2012. A copy of the Code is posted on SEDAR at [www.sedar.com](http://www.sedar.com) and was also filed with the SEC as an exhibit to our most recent Form 40-F and is available at [www.sec.gov](http://www.sec.gov). The Code may also be accessed on the Company's website at [www.sandstormgold.com](http://www.sandstormgold.com).

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to Directors, officers and employees to assist them in recognizing and dealing with ethical issues, promoting a culture of open communication, honesty and accountability; promoting a safe work environment; and ensuring awareness of disciplinary action for violations of ethical business conduct. In addition, the Board, through its meetings with management and other informal discussions with management, encourages a culture of ethical business conduct and believes the Company's high caliber management team promotes a culture of ethical business conduct throughout the Company's operations and is expected to monitor the activities of the Company's employees, consultants and agents in that regard.

It is a requirement of applicable corporate law that Directors and senior officers who have an interest in a transaction or agreement with the Company promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and, in the case of Directors, abstain from discussions and voting in respect to same if the interest is material. These requirements are also contained in the Company's Articles, which are made available to Directors and senior officers of the Company.

To date, the Company has not been required to file a material change report relating to a departure from the Code by any of its Directors or executive officers.

## Social and Environmental Commitment

The properties over which the Company holds streams, royalties and other interests are owned and operated by independent mining companies and the Company does not exercise control or influence over the activities of the property owners/operators. However, the Company is committed to focusing on financing responsible development of mineral projects and the sustainable extraction of metals through its financial investments, including with respect to environmental factors, social considerations and governance issues (collectively “ESG”). The Company is committed to furthering sustainable development in the mining and metals industry through its investments and seeks to address ESG risks through the Company’s due diligence process that guides its investment decisions. The Company endeavours to invest in projects with relatively low ESG risk. Where applicable, the Company reviews the corporate and social responsibility reports that are published by its stream and royalty partners and endorses the ICMM Principals, the IFC Environmental, Health and Safety Guidelines for Mining and the e3Plus Framework for Responsible Exploration.

The Company’s direct environmental impact and carbon footprint is small. The Company operates in an office environment with a small workforce of full-time employees. The Company’s head office is situated in a LEED Gold certified building in Vancouver, British Columbia, Canada.

Further details on these matters can be found on the Company’s website at [www.sandstormgold.com](http://www.sandstormgold.com).

## Risk Management

One of the important functions of the Board is overseeing the risk management strategy put in place by management. The Board must ensure that management has properly identified the principal risks to the Company’s business and is managing them prudently. The Board considers that the most significant risks facing the Company’s business vary from time to time depending on the prevailing economic climate and the specific nature of the Company’s activities at the relevant time. The Board reviews and considers general as well as particular risks faced by the Company. The Board closely monitors the potential vulnerability of the Company’s operations and financial condition in light of risks that arise in relation to the Company’s business. In addition, the Audit Committee specifically monitors financial risks and the Compensation Committee monitors compensation risks. Please refer to the section in this Circular entitled “EXECUTIVE COMPENSATION, Compensation Discussion and Analysis - Compensation Risk Assessment and Governance” for a discussion regarding compensation risk.

The key factors which drive the Company’s risk profile are set out in the Company’s Annual Information Form for the year ended December 31, 2017, which is available under the Company’s profile on SEDAR at [www.sedar.com](http://www.sedar.com). Changes in these factors can increase or decrease the Company’s risk profile.

## Key Policy Descriptions

### WHISTLEBLOWER POLICY

The Company has adopted a Whistleblower Policy (“**Whistleblower Policy**”) which permits its employees who feel that a violation of the Code has occurred, or who have concerns regarding accounting, audit, internal controls, financial reporting or ethical matters, to report such violation or concerns on a confidential and anonymous basis. Such reporting may be made by e-mail, in writing or by telephone to the Company’s 24-hour whistleblower hotline. Once received, complaints are provided to the Audit Committee for investigation and, if necessary, appropriate corrective action. The Whistleblower Policy is available on the Company’s website at [www.sandstormgold.com](http://www.sandstormgold.com).

### STOCK OWNERSHIP GUIDELINES POLICY

**Can Only Be  
Fulfilled Based  
Upon Ownership  
of Sandstorm  
Shares and RSRs**

The Company has adopted a Stock Ownership Guidelines Policy (the “**Stock Ownership Guidelines Policy**”). The Board believes that it is in the best interest of the Company and its Shareholders to align the financial interests of the Company’s executives and non-employee members of the Board with those of the Company’s Shareholders. The Ownership Guidelines are applicable to the Company’s CEO, CFO, the Company’s Senior Executive Vice-President (“**SEVP**”), the Company’s Senior Vice-President of Corporate Development (“**SVP-CD**”) and the Company’s Executive Vice-President, Project Evaluation (“**EVP-PE**”) (the CFO, SEVP, SVP-CD and EVP-PE being collectively referred to in the Ownership Guideline as the “**Executive Officers**”) and any member of the Board who is not employed by the Company (collectively, the

“**Guidelines Participants**”). The Stock Ownership Guidelines Policy requires that the CEO, the Executive Officers and the Non-Employee Directors of the Company own Shares which have a fair market value equal to the following multiples of the Guidelines Participant’s base salary (or, in the case of a Non-Employee Director, the cash annual retainer paid to the Non-Employee Director by the Company):

Employee Group	Share Ownership Requirement
CEO	5 x annual base salary
<b>Executive Officers</b> (i.e. CFO, SEVP, SVP-CD & EVP-PE)	3 x annual base salary
<b>Non-Employee Directors</b>	3 x annual retainer

In calculating Share ownership, Guidelines Participants may include any Restricted Share Rights held by them, but Stock Options may not be included. While a Guidelines Participant is not in compliance with his/her ownership requirement, the Guidelines Participant must retain an amount equal to 50% of his/her net Shares (“**Net Shares**”) received as a result of the exercise of Stock Options or the vesting of any Restricted Share Rights granted to the Guidelines Participant by the Company. “Net Shares” are those Shares which remain after Shares are sold to pay any applicable exercise price for stock options and to satisfy any tax obligations arising in connection with the exercise of Stock Options or the vesting of Restricted Share Rights, as the case may be. The applicable guideline level of Share ownership is expected to be satisfied by each of the current Guidelines Participants within five years after first becoming subject to the Ownership Guidelines (i.e. by March 30, 2021). New Nominee, Vera Kobalia, if elected at the Meeting, will be expected to comply with the Ownership Guidelines by June 15, 2023. Once the CEO’s, Executive Officer’s, or Non-Employee Director’s level of Share ownership satisfies the applicable guideline, ownership of that guideline level is expected to be maintained for as long as the Guidelines Participant is subject to the Ownership Guidelines. Since the Ownership Guidelines were first implemented by the Company in March 2016, the Company performed its first analysis of whether each Guidelines Participant meets the applicable Share ownership guidelines in January of 2017. The Company performed its second analysis in January of 2018 and these results are reported below, as well as the current status of each Guidelines Participant’s holdings under the Ownership Guidelines. Kindly refer to the full text of the Ownership Guidelines for complete details, which may be accessed on the Company’s website at [www.sandstormgold.com](http://www.sandstormgold.com).

## CLAWBACK POLICY

The Company has adopted a Clawback Policy ("**Clawback Policy**") which applies in the event of a material restatement ("**Restatement**") of the Company's financial results as a result of material non-compliance with financial reporting requirements. The recoverable amount under the Clawback Policy is "*the amount of Incentive-Based Compensation received by the Executive Officer or former Executive Officer that exceeds the amount of Incentive-Based Compensation that otherwise would have been received had it been determined based on the Restatement*". The Clawback Policy applies to any Incentive-Based Compensation (including cash and equity such as Stock Options and Restricted Share Rights, which is granted, earned or vested based wholly or in part upon the attainment of any "*financial reporting measure*") paid to an Executive Officer (as defined in the Clawback Policy, which includes the CEO) during any of the three fiscal completed years immediately preceding the date the Company is required to restate its financial results. The Company continues to monitor regulatory developments regarding "clawbacks" both in Canada and the United States and will review such developments against its own guidelines. Kindly refer to the full text of the Clawback Policy for complete details, which may be accessed on the Company's website at [www.sandstormgold.com](http://www.sandstormgold.com).

## ANTI-HEDGING POLICY

The Company has adopted a formal Anti-Hedging Policy ("**Anti-Hedging Policy**"). Unless otherwise previously approved by the Corporate Governance & Nominating Committee, no Director, officer or employee of the Company or its subsidiaries, or, to the extent practicable, any other person (or their associates) in a special relationship (within the meaning of applicable securities laws) with the Company, may, at any time, purchase financial instruments, including prepaid variable forward contracts, instruments for the short sale or purchase or sale of call or put options, equity swaps, collars, or units of exchangeable funds that are based on fluctuations of the Company's debt or equity instruments and that are designed to or that may reasonably be expected to have the effect of hedging or offsetting a decrease in the market value of any securities of the Company. Any violation of the Anti-Hedging Policy will be regarded as a serious offence. The Anti-Hedging Policy is available on the Company's website at [www.sandstormgold.com](http://www.sandstormgold.com).

## COMMUNICATIONS AND CORPORATE DISCLOSURE POLICY

The Company has adopted a Communications and Corporate Disclosure Policy ("**C&CD Policy**") which is intended to assist the Company in fulfilling its obligations to ensure that all information relevant and material to the Shareholders and the market is disclosed in a timely manner. The C&CD Policy is available on the Company's website at [www.sandstormgold.com](http://www.sandstormgold.com).

## **POLICY ON STOCK TRADING AND USE OF MATERIAL INFORMATION**

The Company has adopted a Policy on Stock Trading and Use of Material Information (“**Insider Trading Policy**”). Canadian and United States securities laws prohibit “insider trading” and impose restrictions on trading securities while in possession of material undisclosed information. The rules and procedures implemented in the Company’s Insider Trading Policy have been implemented in order to prevent improper trading of the Company’s securities or of companies with which the Company has a significant business relationship or with which the Company is proposing to enter into a business transaction. The Insider Trading Policy is available on the Company’s website at [www.sandstormgold.com](http://www.sandstormgold.com).

## **BRIBERY AND FRAUD PREVENTION PROGRAM**

The Company expects its employees, officers, Directors and contractors to promote honest and ethical behavior, to avoid conflicts of interest, to comply with governmental laws and applicable rules and regulations, and to help foster the Company’s culture of honesty and accountability. To this end, the Company has outlined a comprehensive Bribery and Fraud Prevention Program which covers topic areas such as bribery, fraud, conflict of interest, administrative corruption, facilitation payments, breach of duty, misuse of authority and criminal activity. The Bribery and Fraud Prevention Program policy is available on the Company’s website at [www.sandstormgold.com](http://www.sandstormgold.com).

## **HEALTH AND SAFETY POLICY**

The Company has implemented a Health and Safety Policy (“**Health and Safety Policy**”) which provides a guiding framework for ensuring a safe workplace for its employees. The aim of this policy is to ensure compliance with legal and regulatory requirements and to minimize exposure to health and safety risks. The Health and Safety Policy is available on the Company’s website at [www.sandstormgold.com](http://www.sandstormgold.com).

## **WORKPLACE BULLYING AND HARASSMENT POLICY STATEMENT**

The Company is committed to creating and maintaining a workplace environment which fosters mutual respect, integrity and professional conduct. In keeping with this commitment, the Company has adopted a Workplace Bullying and Harassment Policy Statement and a set of related reporting/investigation procedures for all employees relating to this issue. This policy articulates the Company’s position of non-tolerance with respect to bullying or harassment in the workplace. The Workplace Bullying and Harassment Policy Statement is available on the Company’s website at [www.sandstormgold.com](http://www.sandstormgold.com).

## DIVERSITY POLICY AND REPRESENTATION OF WOMEN ON THE BOARD

The Company is committed to creating and maintaining a culture of workplace diversity. In keeping with this commitment, the Company has adopted a Diversity Policy (“**Diversity Policy**”) which sets out the guidelines by which the Company will endeavour to increase diversity throughout the Company, including at the Board level, and applies to executive and non-executive Directors, full-time, part-time and casual employees, contractors, consultants and advisors of the Company. Management of the Company will promote a work environment that values and utilizes the contributions of women and men, equally, with a variety of backgrounds, experiences and perspectives. The Board will monitor the Company’s performance in meeting the standards outlined in the Diversity Policy, which will include an annual review of any diversity initiatives established by management and the Board and the progress in achieving them. The Board monitors the effectiveness of the Diversity Policy through ongoing discussions with management and review of diversity within the Company at both the Board and employee level.

In 2014, the Board identified the need for increased gender diversity on the Board and, as a direct result thereof, limited their search for an additional Board member to women candidates who had certain strengths, skills and experience which the Board believed would enrich the Board. In June 2014, this resulted in the appointment of the Company’s first woman Director, Mary L. Little. As a result of Ms. Little’s appointment, women currently represent approximately 16.7% of the Company’s Directors.

### **The Company Nominates a Second Woman Candidate for Election to the Board of Directors**

In early 2018, the Board identified a second woman candidate who has certain strengths, skills and experience which the Board believes will enrich the Board. Vera Kobalia is presented in this Circular as a Nominee for election to the Board at the Meeting and, if Ms. Kobalia is successfully elected, women will then represent approximately 28.6% of the Company’s Directors.

The Company seeks to recruit Board candidates which represent both gender diversity and global business understanding and experience. The Company does not, however, support fixed percentages or quotas for any selection criteria, as the overall composition of the Board is based on numerous factors and it is

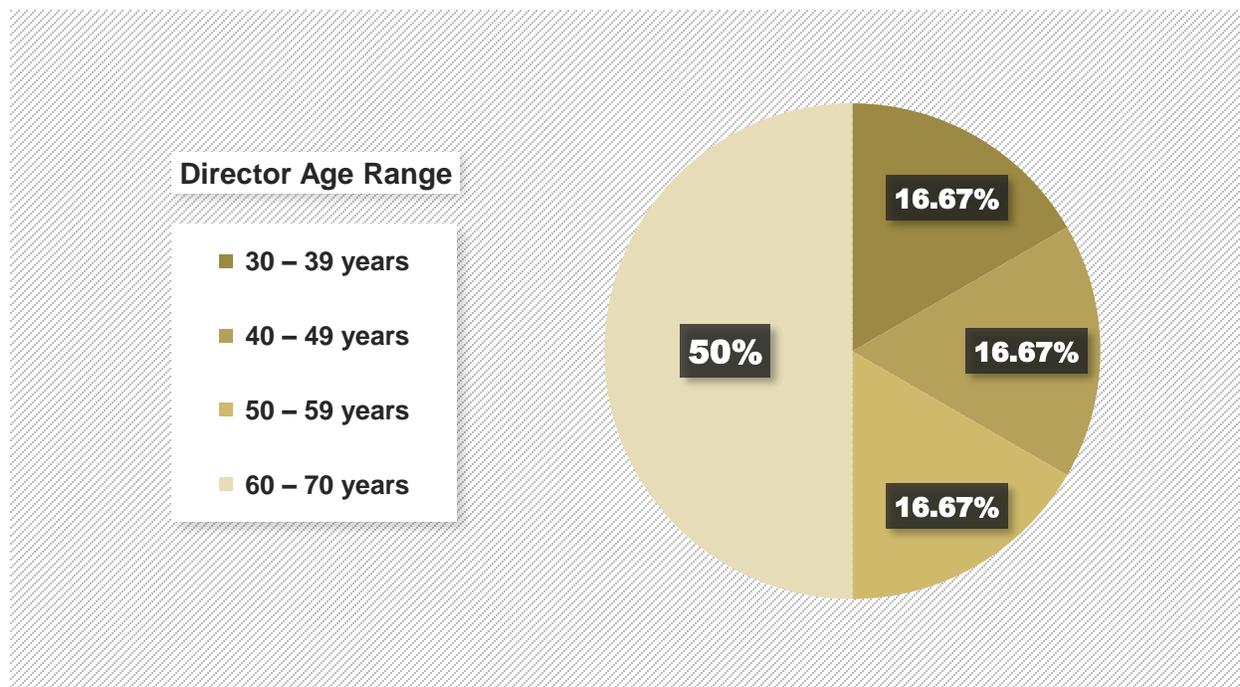

ultimately the skills, experience, character and behavioural qualities that are the most important in determining the value which an individual could bring to the Board. In addition, the Board is responsible for the approval of all executive officer appointments and works closely with management to identify the most qualified candidates. Although the Company does not currently have any women in senior executive officer positions (representing zero percent) and does not have specific targets, the Company believes in the value of gender diversification on both the Board and in senior management and will review potential nominees for election as Directors and candidates for senior management positions to ensure that women candidates are being fairly considered against other candidates.

Over the past three years, the Company has focused on hiring women with significant potential, with the result that the proportion of women in the Company’s workforce is growing and is now comprised of approximately **50%**. With the continued support of the Board and management, the Company expects this trend to continue in the years ahead, which will result in senior executive positions in the Company being filled by women in the future. The Company remains actively committed to pursuing and developing ongoing diversity initiatives at the Company.

The Diversity Policy is available is available on the Company’s website at [www.sandstormgold.com](http://www.sandstormgold.com).

## RETIREMENT AND TENURE POLICIES

The Company does not have a specific retirement age requirement for its Directors. Management reviews and monitors the appropriateness of each Board member's continued service. The average age of the Company's Directors is 56 years and is broken down as follows:

In addition, the Company has not implemented term limits for the Directors on its Board. The Company believes that it is important to have a balance between Directors who have a long history and organizational understanding of the Company with Directors who bring new perspectives and ideas to the Board. Accordingly, the Board has not established term limits due to the potential loss of contributions from Directors who have significant insight into the Company and its operations. The Company values the experience and continuity provided by its longer-term Directors and believes its current assessment process is adequate to address Board needs. Of the Company's six Directors, one was appointed in 2007, two were appointed in each of 2008 and 2009 and one was appointed in 2014.

# Committee Information

The Company has three committees at present, being the Audit Committee, the Corporate Governance & Nominating Committee and the Compensation Committee. As the Directors are actively involved in the operations of the Company and the size of the Company's operations does not warrant a larger board of Directors, the Board has determined that additional standing committees are not necessary at this stage of the Company's development.

Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. ## ADVANCE NOTICE POLICY

### I. INTRODUCTION

Sandstorm Gold Ltd. (the “**Company**”) is committed to:

- 1 facilitating an orderly and efficient process for holding annual general meetings and, when the need arises, special meetings of its shareholders;
- 2 ensuring that all shareholders receive adequate advance notice of the director nominations and sufficient information regarding all director nominees; and
- 3 allowing shareholders to register an informed vote for directors of the Company after having been afforded reasonable time for appropriate deliberation.

### II. PURPOSE

The purpose of this *Advance Notice Policy* (the “**Policy**”) is to provide shareholders, directors and management of the Company with a clear framework for nominating directors of the Company. This Policy fixes a deadline by which director nominations must be submitted to the Company prior to any annual or special meeting of shareholders and sets forth the information that must be included in the notice to the Company for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of shareholders.

It is the position of the Board of Directors of the Company (the “**Board**”) that this Policy is in the best interests of the Company, its shareholders and other stakeholders. This Policy will be subject to an annual review by the Board, which shall revise the Policy if required to reflect changes by securities regulatory authorities or applicable stock exchanges and to address changes in industry standards from time to time as determined by the Board.

### III. NOMINATIONS OF DIRECTORS

Nominations of persons for election to the Board may be made at any annual meeting of shareholders of the Company, or at any special meeting of shareholders of the Company if one of the purposes for which the special meeting is called is the election of directors. Only persons who are qualified to act as directors under the Business Corporations Act (British Columbia) (the “**Act**”) and who are nominated in accordance with the following procedures shall be eligible for election as directors of the Company. At any such annual or special meeting of shareholders of the Company, nominations of persons for election to the Board may be made only:

1. by or at the direction of the Board, including pursuant to a notice of meeting;

2. by or at the direction or request of one or more shareholders pursuant to a valid “proposal” as defined in the Act and made in accordance with Part 5, Division 7 of the Act;
3. pursuant to a requisition of the shareholders that complies with and is made in accordance with section 167 of the Act, as such provisions may be amended from time to time; or
4. by any person (a “**Nominating Shareholder**”) who:
  - (a) at the close of business on the date of the giving by the Nominating Shareholder of the notice provided for below and at the close of business on the record date fixed by the Company for such meeting, (A) is a “registered owner” (as defined in the Act) of one or more shares of the Company carrying the right to vote at such meeting, or (B) beneficially owns shares carrying the right to vote at such meeting and provides evidence of such ownership that is satisfactory to the Company, acting reasonably. In cases where a Nominating Shareholder is not an individual, the notice referred to in section 5 of this Policy must be signed by an authorized representative, being a duly authorized director, officer, manager, trustee or partner of such entity who provides such evidence of such authorization that is satisfactory to the Company, acting reasonably; and
  - (b) in either case, complies with the notice procedures set forth below in this Policy.
5. In addition to any other requirements under applicable laws, for a nomination to be validly made by a Nominating Shareholder in accordance with this Policy, the Nominating Shareholder must have given notice thereof that is both timely (in accordance with section 6 of this Policy) and in proper written form (in accordance with section 8 of this Policy) to the Chief Executive Officer of the Company (“**CEO**”) at the principal executive offices of the Company.
6. To be timely, a Nominating Shareholder’s notice to the CEO must be made:
  - (a) in the case of an annual meeting of shareholders, not less than 30 days nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that if the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the “**Notice Date**”) on which the first public announcement (as defined in section 6(c)) of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth day following the Notice Date; and
  - (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of shareholders was made.
7. In the event of any adjournment or postponement of a meeting of shareholders, or an announcement thereof, the required time periods for the giving of a Nominating Shareholder’s notice as described above shall apply using the date of the adjourned or postponed meeting, or the date of announcement thereof, as the case may be. This means that a Nominating Shareholder who failed to deliver a timely Nominating Shareholder’s notice in proper written form to the directors for purposes of the originally scheduled shareholders’ meeting shall nonetheless be entitled to provide a Nominating Shareholder’s notice for purposes of any adjourned or postponed meeting of shareholders as the determination as to whether a Nominating Shareholder’s notice is timely is to be determined based off of the adjourned or postponed shareholders’ meeting date and not the original shareholders’ meeting date.

8. To be in proper written form, a Nominating Shareholder's notice must be addressed to the CEO, and must set forth:
- (a) as to each person whom the Nominating Shareholder proposes to nominate for election as a director:
    - i *the name, age, business address and residential address of the person;*
    - ii *the present principal occupation or employment of the person and the principal occupation or employment within the five years preceding the notice;*
    - iii *the citizenship of such person;*
    - iv *the class or series and number of shares in the capital of the Company which are, directly or indirectly, controlled or directed or which are owned, beneficially or of record, by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice;*
    - v *the amount and material terms of any other securities, including any options, warrants or convertible securities which are, directly or indirectly, controlled or directed or which are owned, beneficially or of record, by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice;*
    - vi *a statement as to whether such person would be "independent" of the Company (within the meaning of sections 1.4 and 1.5 of National Instrument 52-110 – Audit Committees, of the Canadian Securities Administrators, as such provisions may be amended from time to time) if elected as a director at such meeting and the reasons and basis for such determination; and*
    - vii *a statement that the person is not prohibited or disqualified from acting as a director of the Company under the Act, Applicable Securities Laws (as defined in section 10(a)) of this Policy or any other legislation.*
  - (b) the full particulars regarding any oral or written proxy, contract, agreement, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote or direct the voting of any shares of the Company; and
  - (c) any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws.

Such Nominating Shareholder's notice must be accompanied by a written consent to act as a director of the Company as required under sections 122 and 123 of the Act, duly signed by the person being nominated for election as a director.

In addition, the Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that would reasonably be expected to be material to a reasonable shareholder's understanding of the experience, independence and/or qualifications, or lack thereof, of such proposed nominee. As soon as practicable following receipt of a Nominating Shareholder's notice (and such other information referred to above, as applicable) that complies with this Policy, the Company shall publish the details of such notice through a public announcement.

9. No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of this Policy; provided, however, that nothing in this Policy shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter that is properly before such meeting pursuant to the provisions of the Act or at the discretion of the chairman of the meeting. The chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the provisions of this Policy and, if the chairman of the meeting determines that any proposed nomination was not made in compliance with this Policy, to declare that such defective nomination shall be disregarded.
10. For purposes of this Policy:
- (a) “Applicable Securities Laws” means, collectively, the applicable securities statutes of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each relevant province and territory of Canada, and all applicable securities laws of the United States.
  - (b) “business day” means any day other than Saturday, Sunday or any statutory holiday in the City of Vancouver, British Columbia, Canada.
  - (c) “public announcement” means disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on the System for Electronic Document Analysis and Retrieval (SEDAR) at [www.sedar.com](http://www.sedar.com).
11. Notwithstanding any other provision of this Policy, notice given to the CEO pursuant to this Policy may only be given by personal delivery, facsimile transmission or by email (at such email address as may be stipulated from time to time by the CEO for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery to the CEO at the address of the principal executive offices of the Company, sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) or received by email (at the address as aforesaid); provided that if such delivery or electronic communication is made on a day which is not a business day or later than 5:00 p.m. (Pacific Time) on a business day, then such delivery or electronic communication shall be deemed to have been made on the next business day.

#### **IV. GOVERNING LAW**

This Policy shall be interpreted and enforced in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

#### **V. REVIEW AND AMENDMENT OF POLICY**

This is a policy and is subject to change from time to time by the Board. In addition, the Board may, from time to time, permit departures from the terms hereof.
